

INTERNSHIP PROSPECTUS

**Department of Agricultural Economics and Agribusiness
Louisiana State University and A&M College
Baton Rouge, Louisiana 70803-5604**

Your internship will be meaningful only if you give it some direction. This means you must establish some learning objective(s) in order to benefit from the experience. The purpose of the internship prospectus is to define your learning objectives and identify the internship activities that will allow you to achieve your goals. Please answer the following questions as completely as possible. Please type your responses on a separate sheet of paper and attach them to your request for an internship form.

What is the nature of your internship, and what will your specific responsibilities be?

What are your specific learning objectives during the internship?

Are your learning objectives compatible with the goals of the participating organization?

What type of supervision will you have during your internship?

What questions do you have related to your career objectives that you expect your internship to answer?

How will your internship help you answer these questions?

How do you plan to evaluate your internship experience?
