“Dedicated To Supporting Louisiana 4-H”

The Louisiana 4-H Foundation provides financial support to the Louisiana 4-H Museum through the contributions of donors and fund raising activities.

Louisiana 4-H Museum

The Louisiana 4-H Museum preserves the history of 4-H in Louisiana from its beginnings in 1908 as a boys’ “corn club” to what it is today – a nonformal educational program reaching more than 225,000 boys and girls each year with hands-on learning experiences in clubs, camps, clinics and curricula. During the first 100 years of Louisiana 4-H, it is conservatively estimated that more than 4 million youth became involved in 4-H. That’s a lot of people!

The museum is located in Mansura, La., as part of a facility that includes the LSU AgCenter’s Avoyelles Parish Office. See inside the museum by visiting www.lsuagcenter/4hmuseum.
