## **2010 Louisiana Master Gardener Program**

The Webster Parish Extension Office of the LSU AgCenter is pleased to announce that we are now taking applications for the Louisiana Master Gardener Program. There are a limited number of spaces available. Class members are chosen in May. If you do not enter the upcoming class, you will need to submit a new application indicating interest in attending the following class.

Classes are scheduled for 9:00 a.m. until 2:00 p.m., one day per week for 10 weeks. We take a 30 minute lunch break and most people bring a sack lunch. Classes are tentatively scheduled to be held on consecutive Tuesdays beginning **June 1st, 2010**. Classes will be held at the Webster Parish Extension Office at 1202 Homer Road in Minden.

You will be expected to spend 40 hours volunteer time answering homeowner's gardening questions on the telephone, developing and maintaining Extension demonstration gardens, and doing occasional short demonstrations. Training **volunteers** is the primary Extension objective for this educational program.

There is a **\$125.00 registration fee** to cover the cost of the manual (\$75) and teaching supplies (\$50). Payment is received after your acceptance into the class.

If you have any further questions about the Master Gardener classes or have a disability which requires special assistance for your participation, please contact Calvin Walker (318) 371-1371 for assistance.

Sincerely,

Calvin Walker  
Webster Parish Extension Agent
