## **A Reminder to Officers**

All officers are to arrive for the Jr. Leader meetings at 5:00 p.m. During that time, officers are responsible for setting up tables and chairs and putting out the flags and nameplates. Program Leaders are to set out refreshments.

After the meeting, officers are responsible for picking up the flags, nameplates, and also the tables and chairs, if necessary. Program Leaders are to pick up and store any remaining refreshments and wipe the counters.

Talking and visiting is reserved for outside after all work has been done. If everyone works together, the set up, meeting, and clean up will run more smoothly. Thank you for your cooperation.

THANKSGIVING !**
