All members completing this requirement and outstanding contributors to service-learning efforts will be recognized at the end of the year banquet.

The focus for this year is the environment with an emphasis on wetlands conservation. We look forward to seeing all of you ready for action soon. If you have any questions please contact or talk to one of the Service Learning Committee members which include: Kasie D., Emily D., Eve F., Erick M., Clarissa L., Desiree T., and Lauren A.. Thank you.
