**Horse Entry Forms**

The horse entry form must be completed for you to enter the parish, district and state horse shows. The first criteria is that all youth must be enrolled in 4-H. To fill out the entry form, please follow these instructions:

**1. REMEMBER**

A. All horses (both registered and grade) must have been under the exhibitor's possession since **April 1, 2011**. Remember that the exhibitor should be doing the "majority of the work".

B. Depending on which type of horse you are showing this year will determine the different kinds of paper work you will need to return:

1. **Registered horse in the name of exhibitor** - send a copy of registration papers, copy front and back of each paper, completed entry form, checklist, a check or money order for the amount on the fee form.

2. **Registered horse in the name of immediate family member** - send a copy of the registration paper, copy front and back of each paper, completed entry form, the horse ID section on the bottom of the entry form, checklist, and a check or money order for the amount on the fee form.

3. **Grade horse** - send in a copy of the grade horse certificate, completed entry form, check list and a check or money order for the amount on the fee form. Those of you that attended the clinic this year will receive a copy of your certificate at a later date.

4. **Leased horse** - complete the affidavit signed by all parties, completed entry form, registration paper or grade horse certificate, check list and a check or money order on the fee form.

C. All registered horses must be transferred on the registration paper into the name of the exhibitor or in the name of the designated immediate family member prior to **April 1, 2011**.

D. All grade horses must have already been certified prior to **April 1<sup>st</sup>**.

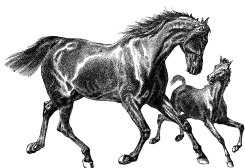

2. Yearling fillies may be shown but registration papers are required on all yearling horses (no stallions). **There is no class for weanlings.**

3. All horses to be exhibited must be accompanied at the shows by a negative **"Coggins" test** and an official **health certificate**. The "Coggins" test is good for one year but health papers are only good for 60 days. Please be sure to have this because both will be checked at the Parish, District, and State shows.

4. For **registered** horses, **original registration papers** will be checked at the Parish and District Shows. A copy of the registration papers (front and back of each paper) should be sent to us along with the completed entry form described below. For grade horses, the original **"Grade Horse Certificate"** will be checked at the Parish and District Shows.

5. The **entry form** for the 4-H Horse Shows is enclosed. This entry form has all exhibitor information needed for the computer along with the classes to be selected by the exhibitor. Complete the code of conduct and safety rules as part of the entry form. The exhibitor, and parent or guardian must sign at the bottom of the entry form. Also a signature of both exhibitor and parent/guardian is required beneath the code of conduct and safety rules.

6. Please fill out all information requested on all forms on both front and back. Including the exhibitor **social security number**. We must have it to enter the exhibitor in the computer in order to receive any premiums. The "Entry Number" square should be left blank. For classes broken by exhibitor's age (13 & Under, 14 & Over), consider the child's age as of January 1, 2011.

## Horse Entry Forms Continued

7. One entry form must be completed on each horse. Please indicate all the classes that you wish to enter by placing a **check mark** next to that particular class. It is recommended to make a copy of the form and bring the copy of the classes that you enter with you to the show. This will help you remember which class numbers you entered when you check-in.

*Please read carefully!*

8. Exhibitors are allowed to enter more than one horse per class. This must be completed at least one week prior to the Friday of the parish show, by close of business to participate in the parish show. The entries must be accompanied by the correct fees per class on the same date. Furthermore, exhibitors may add classes at the parish show, but will only be allowed to exhibit their horse in the class(es) added at the district level and may qualify for state. It must be accompanied by the correct entry fees on the date of the parish show.
9. Registered Quarter Horses, Appaloosas, Arabians, Paints and Miniatures wishing to show at halter must each enter their appropriate halter class (classes 27-74). Registered horses of any other breed as well as any grade horses wishing to show at halter must enter Class 40 (AOB Geldings) or Class 43 (AOB Mares). No registered horse may be marked stallion on registration paper.
10. Any exhibitor wishing to enter Breakaway Roping, Tie-Down Roping, or team penning must enter the appropriate class (Classes 1-4 or 21). The entry fee for these classes at parish is **\$10.00 each and \$15.00 at district**.
11. We will offer team penning again this year at the district show. Exhibitors that are interested must indicate this on the entry form. It is being added into the schedule on Thursday morning. This will not be a qualifying event, but is being added as a PRACTICE for the state event. We encourage exhibitors to enter and find two team mates. Rules for the event are as follows;
- A. Horses must be entered in team penning at the parish level. This should be indicated on the parish entry form. Each youth may enter one horse and only one in the team penning. Horses and youth must meet all requirements for any other class (i.e. possession date, etc.). Upon arrival at the district show, teams (3 exhibitors) will declare team members.
- B. Teams may be made up of any three exhibitors eligible for competition, within regard to parish or age of youth, but must show at our district show. No exhibitor may be a team member of more than one team.
12. Youth do not have to qualify in any other event in order to participate in team penning, working hunter, dressage, and equitation over fences, however, they **must have entered** these classes on the parish entry form. No entries will be accepted at the State Horse Show.
13. All other classes, Performance, Showmanship or Halter will be **\$5.00** for parish and **\$5.00 for the district show**. Showmanship (Classes 22 & 25) is considered a regular performance class and falls into the category with all other regular performance classes (classes 5-20 and 78-97). A horse must enter and show in halter to be eligible to show in Showmanship. An exhibitor can only show in one Showmanship class. An exhibitor can only show in one pleasure class 11, 12, 94 or 95. **This excludes classes for team penning and working hunter, dressage and equitation over fences. These classes will only be offered at state.**
14. A special Louisiana Bred Futurity will be conducted again this year at the State Show, but will only include selected halter classes. Futurity halter classes will be open to registered Quarter Horse, Appaloosa, and Paint yearlings, two-year-olds, and three-year-olds. Judging of these futurity halter classes this year will take place within the regular classes.
15. This year a \$5.00 assessment fee will be charged to each exhibitor for parish to offset cost of facility. Deadline to get entry forms, checklist, fee forms, entry fees, and copies of registration papers back to us will be **April 15<sup>th</sup>**. If you are waiting on registration papers in the mail (a) include a note to let us know about this and (b) be sure to get a copy to us as soon as the papers arrive. No reimbursements will be issued. For entry fees, pay by **check or money order** only. Make checks or money orders payable to **Lafayette 4-H Foundation** and please send it to: **Charles Hebert, 4-H Horse Entries, 1010 Lafayette Street, Suite 325, Lafayette, LA 70501**.
16. The district stalls fees will be upon arrival at the show at \$20.00 each/three day show. Parish stalls will be paid once you arrive at Sugarena.
17. All exhibitors should complete the Horse Entry Check List. If you need an additional copy of the horse entry form it can be located on the website at [www.lsuagcenter.com/Inst/Extension/livestockshow](http://www.lsuagcenter.com/Inst/Extension/livestockshow). **MAKE A COPY OF YOUR ENTRY FORM FOR YOUR RECORDS PRIOR TO SUBMITTING THEM IN THE MAIL!** This is an attempt to try to remind all exhibitors exactly what types of paper work is needed for each exhibitor/horse. You will find the fee form on the reverse side of the Check List. Please fill in the blanks on the fee form, and the total amount and send a check or money order for the total amount.

## State Horse Show Information

### Entry Fees:

A decision has been made to continue assessing entry fee(s) for the LSU AgCenter's State Horse Show. This decision has been approved by the Management Council that oversees and approves changes for the State 4-H Horse Shows. This is due to escalating cost as well as our desire to provide improved awards and a more quality educational opportunities for Louisiana 4-H and FFA horse project members.

These fees **will be collected upon your arrival** at the State 4-H/FFA Horse Show at the Ike Hamilton Expo Center in Monroe, LA, in the show office. ## Fundraising Efforts

Over the past fourteen years the program has been working on ways to generate funds for the horse program. In past years the parents, volunteers and exhibitors have strived to recruit items for both a silent and live auction, promote the show and volunteer as well as giving the show their all to raise funds. Parish show entry fees will continue and will be collected through the regular entry process.

The board has voted to continue our entry fee process and class sponsorship that will allow multiple other prizes to award winners in conjunction with the parish horse show.

We are requesting \$75 donations for the class sponsorship. This information as well as the donations are due to Mr. Charles by **April 1**. These sponsors will receive a half page add in our parish show program. We will except donation of any amount. Please contact any of the committee members or our office with any questions.

Now that you are aware and are informed of the direction that the board has chosen, let's all try our best to do a great job in recruiting items for the raffle. We are soliciting any items you can think of, even if we have to group items together for prizes.

If you have items to donate or have questions, please contact Mr. Charles Hebert at 291-7090 or one of the advisory board members. We appreciate your cooperation and continued support for the 4-H Youth Development Program.

## Conflicts with 2011 District Show

We have been informed that the University of Louisiana at Lafayette is not writing new contracts for the coliseum. There are discussions currently taking place with community leaders in regards to possibilities that could bring tremendous economic growth to the Lafayette area. These possibilities could help enhance the facility to further facilitate our 4-H events, in the future. Our office is in direct discussions with UL Lafayette and other community leaders about our needs for our events.

Once this was discovered, the board and Extension office began contacting the neighboring parish facilities. Currently, the dates of the show that were previously advertised June 30—July 2, 2011 are available. Therefore, the decision was recently made, to conduct the **2011 Acadiana District Horse Show at Sugarena.**

Now that this decision has been made for the 2011 show, we will begin to work to submit our dates for 2012 shows in Lafayette. We will continue to keep you informed of any further developments as they develop.

The stall fees for district will be \$20.00 for the three day period and will need to be submitted to the Sugarena. Furthermore, the camper spots will be \$20.00 per day. Payments should be submitted directly to Sugarena

We must all remember the purpose of the program is to give youth the opportunity for personal growth and development through caring for their animal. In doing so, we do appreciate your cooperation and patience as we continue to work through these issues.

## Parish Rules

Many years ago, our parish advisory committee created some rules to structure our program. These rules are in addition to the LSU AgCenter State Horse Show Catalog. They were developed about fifteen years ago and have been added to better facilitate our program and show. The rules relate to entry procedures, fees, etc.

One of the important rules that applies to the entries is the procedure for incomplete entries. All **incomplete entries will be returned** to the exhibitor with a cover letter stating the type of paper work that is missing. This will include registration papers, entry form, and/or fees. The exhibitor will have an **additional 15 days or until the last working day of April at close of business** to get all information completed.

If all the completed paperwork is not returned by **April 30th**, the exhibitor must submit an Appeals Form with a written excuse to the 4-H Agent and the Horse Appeals/Protest Committee. The exhibitor will have to pay a late entry fee as determined by the Appeals/Protests Committee. You may review the entire list of parish rules on the attached list.

## Changes for 2011 State Horse Show

There are a few changes that have been approved by the state management council. The changes are listed below and the state horse show schedule is attached. Please review it closely as there are several time changes this year.

**Splitting of Ground Work & Stock Horse Pleasure** by age as of January 1, into two separate classes 13 and under and 14 and over class.

**Groundwork Class** “a horse may compete with or without a saddle” and “only the lead rope may be used as an aid no sticks or any other aids may be used.”

### Changes from 2010

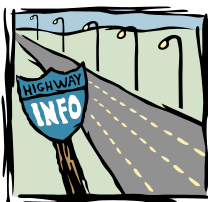

**Stock Horse Pleasure Class** (all ages) will be added to the state show on a 2 year pilot basis. Exhibitors and their horse will participate individually at a walk, trot, lope in both directions around the course. Exhibitors will not be able to exhibit the same horse in stock horse pleasure and Western Pleasure.

**Leased Horses** will be eligible for 4-H and FFA exhibitors to show on a 2 year pilot basis. Members will be required to complete the Leased Horse Affidavit Form and turn it in to the County Agents or FFA Advisor's office along with a copy of the horse's registration or grade horse certificate by April 1<sup>st</sup> of the current year.

**Two Special Needs Classes** will be offered this year on a pilot basis. The classes are Trail and Showmanship and will be patterned after the Special Olympics Equine Program. All exhibitors participating in these classes will follow the guidelines for exhibitor privileges and possession requirements listed in the show catalog.

The State Horse Show Catalog with more details on each of these changes should be available by April 15, 2011.

## 4-H On the Web

Well, we are hoping to increase our communication efforts with members, parents, and volunteers through the use of this new website. These efforts are being made to become more effective as well as efficient in our communication efforts.

You may access the new site by typing [www.la4h.org/lafayette](http://www.la4h.org/lafayette). We have created a variety of channels that will be beneficial to clientele.

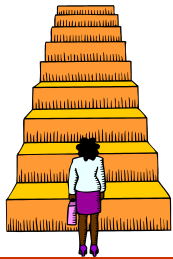

We will continue our efforts to develop the site into a resource for all youth and adults alike. The livestock letters site is where the horse letters are placed.

There is more resource information on the web. The new "Louisiana 4-H & FFA Horse Show" catalog has arrived. The catalog should be posted on the state web page within the week. It is very important that each horse exhibitor family print one of these catalogs. This catalog will include the general rules and specific rules for each event.

## Youth Horseman Needed

We are in search of young 4-H Club members interested in horse related contests. These contests include Horse Judging, Horse Public Speaking, and Horse Demonstrations. We can send a senior and junior team, each consisting of four members in Horse Judging. In addition, there are two age groups for each of these contests: Horse Public Speaking and Horse Demonstrations (13 years of age or younger, and 14 years and over, or open division)

They will be conducted in conjunction with the State Horse Show in July 2011. The main objective for this contest is to provide an opportunity for youth enrolled to demonstrate their knowledge of equine-related subject matter in a competitive setting where attitudes of friendliness and fairness prevail.

*Are you ready for the challenge?*

**Public Speaking** - Public Speaking is a contest where the competitor demonstrates their speaking ability.

**Individual and Team Demonstration**- In these contests the exhibitors demonstrates how to do something related to horses. A few examples of this is giving a horse a shot, shoeing,

implanting a microchip, etc. These are two separate contests where in the Individual Demonstration the exhibitor works alone and/or in the Team Demonstration. A team of two members work together.

**Judging Team**- In this contest a team of either three or four members compete against other parishes to see which team has the best knowledge of how to judge horses. The members work separately judging approximately four halter classes and three performance classes. The exhibitor then gives reasons on why he or she placed the class like they did. This class is excellent experience for exhibitors to learn more about judging and why classes are placed the way they are. It also teaches the exhibitor how to speak correctly in front of people and gives the exhibitor a good knowledge of horse terms.

**Quiz Bowl**- This is a new contest made up of four team members. The members buzz in and answer questions about horses. This contest is a great chance to learn trivial horse facts.

We would like to generate a list of those members that are interested in any of these contest. Please write your name and contest that you are interested in attached to the entry form. You will receive more information once we know who is interested. Please respond by April 30, 2011.

## Special Needs Division

4-H and FFA State Horse Show special needs classes will be offered to bonafide 4-H or FFA members who have intellectual disabilities or have a closely related developmental disability. Physically handicapped youth will also be eligible for special needs classes.

### 1. General Information

- A. The emphasis in the Showmanship class should be on the exhibitor's ability to handle and show the horse, with safety as the main consideration. The horse is merely a prop to show the ability of the showman.
- B. Exhibitors showing horses under Western Tack Style may use a halter and lead shank made of leather or nylon. Chain leads are acceptable. Western attire, including an approved safety helmet, is appropriate.
- C. Exhibitors showing horses under English Tack Style may use a suitable English bridle or halter of either leather or nylon. (See English rules for acceptable bridles) English attire, including an approved safety helmet, is appropriate.
- D. The Quarter method of showmanship will be used. The following suggested guidelines of movement are meant to serve as an illustration of movement around the horse while showing in Showmanship classes and are for the exhibitors'/coaches' information.
  - 1) Imaginary lines bisect the horse into 4 equal parts, as seen in the figure.
    - A. One line runs across the horse just behind the withers.
    - B. The other imaginary line runs from head to Tail.
  - 2) The athlete should move around the horse in a desired manner as described in the rules.
  - 3) This method of showmanship is based on safety, as the handler can keep the horse's hindquarter from swinging toward the judge should the horse become fractious.
- E. Show management must post showmanship patterns before the class is to be held.
- F. The following maneuvers are considered acceptable elements for individual test patterns:
  - 1) Lead the horse at a walk or jog/trot
  - 2) Back in a straight or curved line
  - 3) Halt
  - 4) Pivot or turn—quarter, half or full (360 degrees)
  - 5) Set up square**(The entire rules can be requested)**

## State Horse Camps

There are normally three or four educational State Horse Camps conducted. These camps offer intensive hands-on training for you and your horse. The camps will cover safety, horsemanship, basic riding and training skills, horse health and much more.

As of now, the only camp that has been confirmed will be held in New Iberia, LA at Sugarena May 6-7, 2011. The fees are similar and for a participant/leader/parent with a horse would vary between \$60.00-\$80.00 depending on the location of the camp. A participant/leader/parent without a horse would cost about \$15.00. The fee will cover ground fees, meals, insurance, shavings, and a T-Shirt. Registration is limited to approximately forty to fifty 4-H member.

These clinics are available for all members and their parents. All participants will be required to complete a standard Health Card for these events. You can locate the health card on the Lafayette 4-H website under the Contest Rules & Forms sub channel. If you need additional information, please contact Mr. Charles Hebert, Ms. Samantha Simmons at the 4-H Office at 291-7090.
