**We agree to all terms, conditions, rules, regulations, requirements, ethics, policies, and laws in effect or hereafter adopted which are applicable to the LSU AgCenter District and State Livestock Shows. We understand and agree that any exhibitor, parent or guardian who commits, attempts to commit, or participates in the commission of any act or omission which gives an animal or exhibitor an unfair advantage over another animal or exhibitor, which endangers persons or animals, and/or which violates any terms, conditions, rules, regulations, requirements, ethics, or policies of the LSU AgCenter District and State Livestock Shows may result in an animal, exhibitor, parent or guardian being disqualified or declared ineligible, being banned from participating in future shows or events and/or being forbidden from entering or remaining on the premises. Potential criminal violations may be referred to an appropriate law enforcement agency.**

**We further understand and agree that if in the sole discretion of the LSU AgCenter substantial evidence exists that an animal has been tampered with, that animal may be declared ineligible. We have read, understand and agree to follow the LSU AgCenter Fact Sheet *Bio Security and Reducing Livestock Disease Risk*.**

**We hereby certify that all information contained on this entry form is true and correct relative to each animal entered.**

**We understand and agree that we are responsible for our own animals' health, safety and security while at a Livestock Show.**

**A social security number is required for an exhibitor to receive premiums. This number is for premium use only and is not distributed outside the Louisiana State University AgCenter.**

**For an entry form to be valid, it must be signed by all three individuals indicated below.**

**Exhibitors should refer to LSU AgCenter Livestock Show Catalog for Classification guidelines**  
 ( The catalog is posted on the Livestock Show Office web site at [www.lsuagcenter.com](http://www.lsuagcenter.com) . Contact your 4-H agent or FFA advisor if you need assistance determining the classification of your market animal)

\* A copy of registration paper must be attached for each animal entered. (SEE INSTRUCTION PAGE FOR DETAILS)

## Junior Livestock Show Entry Form Instructions:

### First Section (Exhibitor Information)

1. 1. Use one form per exhibitor. *(If the number of animals to enter does not fit into selected blocks, use a second entry form to complete)*
2. 2. Print or type Social Security number, parish, name, address, city, zip code, 4H/FFA, school, exhibitor's date of birth and email address.
3. 3. Entry form requires an exhibitor's and a parent or guardian's signature to be accepted.
4. 4. Entry form requires an agent's or vocational agriculture instructor's signature to be accepted.

### Second Section (Market Animals)

1. 1. Enter market animals (*steers, lambs, hogs, or goats*) in this section.
2. 2. Print or type for each market animal entry the division (*steers, lambs, hogs or goats*), LSU ear tag number, Louisiana-bred ear tag number (*lambs and hogs enter number; steers, enter yes or no*). **A breed classification must be circled on each market animal, if none are selected the animal will be entered as a cross.**

### Third Section (Commercial Breeding Animals)

1. 1. **Circle** appropriate classification using the choices provided for each animal entered
2. 2. Enter ear tag number. (both LA Bred & LSU)

### Fourth Section (Registered Breeding Animals)

Enter breeding animals in this section. **A copy of registration papers for each animal must accompany entry form.**

Print or type the following:

**Specie** (Beef, Dairy, Sheep or Swine)

**\*\*Name of Animal:**

**\*\*Registration #**

**\*\*Louisiana-bred** (Yes = Y or No = N)

**\*\*Breed** (Angus, Brahman, AOB-Brahman, AOB-Non-Brahman, etc.)

**\*\*DOB:** Animal's date of birth

**\*\*AOB Breed** (If **Breed** is AOB-Brahman, then enter actual breed of animal)

Example: Breed = AOB-Brahman, AOB Breed = Charbray

Breed = AOB-Non-Brahman, AOB Breed = Chianina

**\*\*Sex (Use M/F)**

**Class:** Using information in the state catalog for your specie, class your breeding entry according to animal's date of birth and breed.

\*\*This information is available on the registration papers you received with your breeding animal.
