

The Icons have it!

Search and Info icons are permanently anchored in the top left and right corners.

These five icons travel in a pack when screen size changes, so you get more map and less other stuff on all your viewing devices.

On-line, interactive Flood Insurance Rate Maps

The LSU AgCenter Floodmaps portal and floodplain education programs receive support from FEMA Region VI through the La. Dept. of Transportation and Development, Office of Floodplain Regulations.

Contact Pat Skinner at pskinner@agcenter.lsu.edu for information about the site.
