

Louisiana Deferred Compensation Plan IRC Section 457 Plan

Plan now ... to relax later.

You can plan for the years ahead . . . **OR** look back and wish you had.

With a little planning, you can take full advantage of everything your Plan has to offer including:

- Easy, automatic payroll deduction
- Tax-deferred savings
- A diverse array of investments
- The power of compounding by investing steadily over time
- Plan and account information online, by phone or from a registered representative

Do you know:

- **How much you should be investing now** to make sure you have a secure tomorrow?
- **How your long-term savings will be affected** by inflation, taxes, your investment choices, failing to invest for the long-term— and even by living longer and healthier than previous generations?
- **How much you are allowed** to contribute to your Plan account each year?
- **The advantages** of your Plan compared to other long-term saving and investment strategies?

Your Louisiana Deferred Compensation Plan account executive can help you answer these questions and any others you might have about your Plan.

Whether you're a Plan participant or thinking about enrolling, complete the form below, return it to 2237 S. Acadian Thruway Suite 702 Baton Rouge, LA 70808 and Chris Burton will contact you.
