Parent Instructions

STARTING REGISTRATION: Follow the steps below for specific instructions on registering your child for the horse show. registration opens on April 1st and closes on July 1st. <https://v2.4honline.com/>

Step 1: Once logged into your 4-H Online Family Account, click on the family member for which you would like to register to participate in the Acadiana Open Horse Show. Then, click on the "Events" tab on the left-hand side of the screen. Then click on the blue "Register for a new event" button on the top right.

Step 2: Select the "Acadiana Open Horse Show" event. It will automatically detect your program age.

Step 3: Select the event(s) that you would like to participate in. If you are 13 years old and under, and would like to ride up for exhibition, you may do so by selecting the events you'd like to run within the 14 and older age group. However, that exhibition run will not count for your all around points. If you select to participate in an exhibition run, you will still have to pay the registration fees for that run.

Step 4: Answer all remaining questions and move on to the payment section of the online registration. Please note that you will be required to select the "pay by check" option in the 4HOnline registration. You will not be able to pay any registration fees through 4HOnline, nor will we be accepting any cash or check payments.

Step 5: Your registration is not submitted until you click the "finish" button on the last page of the registration. Once your registration is submitted, you will receive a confirmation email and in that email it will have the link to pay your registration fees online.
