Other Information

- **Volunteers** - shooting sports instructors, coordinators, club leaders, etc. need to register as well. A Family Account will be created whether there is just one person or a whole family. It's the first part of the online process and is very easy to do! As members of the family are added, there will be a place to choose volunteer, club member, etc.
- **General 4-H Enrollment Fee:** The general 4-H Enrollment fee, to become a 4-H member, for 2022-2023 is \$7.
- **Payment Information:** Payments may be made by check or cash. Checks should be made to Ouachita 4-H and may either be mailed or dropped off to our office at 704 Cypress Street, West Monroe, LA 71291. We also have a drop box located in the front of our building. NO CASH in the Dropbox please! NOTE: Please put the 4-H member(s) name(s) in the memo section of your check. Cash payments may be taken inside M-F, 8-4.
- Currently, there is NOT an online payment option. Once parish agents receive word that the online payment system is ready, we will let everyone know. It will most likely be ready later in the school year.
- **Important Enrollment Information:** First and foremost, a selection must be made about becoming a 4-H Club Member. Either a school must be chosen or the Member-At-Large Option. More information below. Once the membership choice has been selected, then you may click on a **Project Club and/or Livestock**, if desired: **Shooting Sports Club, Photography Club, Livestock, Jr. Leader Club – grades 7-12**. If you have questions about livestock or any project clubs, please contact our office at 323-2251.
- If there is an existing 4-H club at their school and they want to be a member of the **school club**, you will need to choose that school in the online enrollment system. If your child does NOT want to be a member of the school club or if there isn't a club available for that particular school, you will click on the Member-At-Large selection. Members at Large are not part of a particular school club but are able to participate in any 4-H event that is appropriate for their age group.
- **Project Section:** Refers to any books or publications that may be desired. This does NOT sign a person up for the Project Clubs: Jr. Leaders, Photography Club, Shooting Sports.
- **If you are part of an in-school club, where there is a club at your school, you will follow your school club leader's guidelines. The basic annual 4-H fee is \$7, but your club leader might add on more for club t-shirts, etc. The only payment that goes to any school club leader is the amount requested by that club leader. Any other payments such as: photography club fees and shooting sports fees are made directly to our office.**
- **If you are a Member-At-Large, meaning you are not part of a school-club, your annual enrollment fee will be the flat \$7.**
- **If you also enroll as part of a Project Club. there may be additional fees. See below:**
 - 1. **Photography Club – Grades 4-12 - \$10 Fee – payments for photography club go directly to our office, not the school club leader**
 - 2. **Jr. Leader Club – Grades 7-12 – NO FEE**
 - 3. **Shooting Sports Club – Grades 4-12 – See shooting sports Fee information below. The Shooting Sports Project Club has an additional registration process and is done directly with our office, not with school club leaders.**
