February Club Lesson

Last month's mystery item was cattle. We learned that cattle provide not only food high in iron, but also products such as baseball gloves and even medicine. We also learned about the various ways of identifying cattle and even got to practice tagging. February's mystery item has been referred to as "nature's perfect food" and is usually sold in liquid form. Can you guess what it is?

Achievement Day Service Project

Once again, the 2024-2025 Achievement Day Service Project will be can pop tops! Remember that you can start collecting can pop tops now! All clubs will turn in the pop top donations at Achievement Day. All proceeds will go to the Ronald McDonald House in Memphis, Tennessee. Many children and their families from St. Jude's Children's Hospital use this location. Please feel free to get the whole school involved and put out collection jars if you would like to make some.

Shooting Sports

4-H Southern Regional match is March 14-23rd in Gonzales and Port Allen. Each participant is required to furnish their own ammunition and shell bag. Parish equipment must be signed out from the office during business hours. Detailed schedules will be sent out when available. School excuses will be sent to the school. Also, as a reminder proper safety procedure

must be followed and required safety equipment must be used when competing in competitions. Remember, all competitors are required to have eye and ear protection as well as closed toe shoes. No Crocs. Those competing with firearms other than archery, are also required to have an empty chamber indicator that is bright and visible to all.

Photography Contest

This year, we will host our annual Photography Contest. This is open to all 4-H members. Youth may enter one photo per category. These pictures should be mounted on 8 ½ x 11 piece of black construction paper. The 4-H'er must be the one taking the photo; therefore, they are NOT allowed to be in the photo. The photo cannot be submitted in the contest if it was already submitted in a previous year. The categories are: People Animals, Outdoor Shots, Promoting 4-H, Action Shots, Night Shots, Black and White and Agriculture. Be sure to put your name, grade, school and category on the back. All entries are due **March 31, 2025**, the same day as record books.

Record Book Contest

Record books are due on **March 31, 2025**, to the 4-H Office. You can find all the information on record books, including the portfolio and the record book rules and tips by visiting our website

<https://tinyurl.com/4-Hrecords>

So why complete a record book?

There is opportunity for recognition

amongst peers, scholarship preparation, monetary awards for youth in 4th-8th grades and educational trip awards for youth in 9th-12th grades. The real “why?” is that record keeping permeates almost all aspects of adult life skills. Critical life and career skill development including communication and writing, prioritizing tasks and information, and tracking progress toward personal goals.

What is project work?

4-H projects entails 6 or more hours of work/learning. This can include things such as sewing, gardening, photography, livestock, etc. 4-H projects can be outlined in various ways including 4-H project books, 4-H project activity guides, etc.

General Rules:

- Club leaders are to submit from their school all books for parish competition.
- Club members must fulfill all contest requirements in order to receive a blue ribbon placing.
- The project work described in a 4-H member's record book should be true and it should be the work of the club member.
- Books submitted for current year without current year's work will be disqualified.
- **4th- 8th Grade members are allowed to type** record sheets. All **9th-12th Grade books must be typed** for competition.
- If applicable, please show three years' worth of work.
- Youth may only submit one entry per mission mandate/category.

Spring Contest Day

Our Spring contest day will be held on **Monday, March 17, 2025**,

starting at 5PM at the 4-H Office. Contests will include Journey into Jobs, Demonstrations, Meat ID and Poultry ID. Pre-registration is required for all Demonstrations and Journey into Jobs. Registrations are due by **March 10, 2025**. Please visit the link below to pre-register.
<https://tinyurl.com/25SpringContestDay>

Journey into Jobs: This contest will help you prepare for future job interviews and applications. Contestants must pre-register for this contest. Applications are division-specific (Division I: grades 4-6, Division II: grades 7-8, Division III: grades 9-12). Contestants will be interviewed, and asked questions related to a present or future career or job. All contestants are expected to dress nice and neat to best present themselves to the judges. The applications and interviews will be conducted as if the applicant has all required schooling/experience for the job posting chosen. Example: If you are applying to be a 4-H Agent, you would fill out the Education section as if you graduated from college or you would answer questions as if you went to college and received a certain degree. Applications can be found on our website or you can pick one up from the 4-H office.

Demonstrations: Open to all 4-H members. Individual and team (2 members only) will be accepted. Members of a team demonstration can be from different clubs and different grades but will compete in the oldest team member's grade division. All demonstrations must be practiced and prepared prior to the contest. There is a limit of no more than one entry per category. Categories are Civic Engagement/Leadership, Healthy Living, STEM (Science, Technology, Engineering, Mathematics). A

demonstration which was presented for a regional and/or state competition may not be presented by the same person or team on demonstration day. All demonstrations must pre-register using the link above. Any demonstration not pre-registered will be unable to participate.

Meat ID & Poultry ID: open to all members. No need to pre-register. Youth will identify cuts of meat along with meat and poultry judging practices. All the rules, regulations and study guides can be found on our website,

What parents should know about camp!

Camping is one of the most valuable experiences a child can have. It's a learning experience that helps boys and girls appreciate the outdoors, live together as a group, gain independence, get along with others, and appreciate people with different interests and backgrounds. One of the most important things children learn from camp is self-sufficiency. That is, they learn they can survive for four days on their own. To help our campers learn self-sufficiency, parents are asked not to call or visit campers unless there is an emergency. Campers may not bring cell phones or electronic devices to camp. The camp week consists of four days, beginning on Monday afternoon when the campers arrive at camp and ending on Thursday morning after breakfast. 4-H Agents, volunteer leaders, and junior counselors from each parish attend camp and stay in the cabins with the campers.

Educational Tracks at camp are:

- General Arts
- STEM (Science, Technology, Engineering and Math)
- Food and Fitness
- Outdoor Adventures

- Wetlands-Explore Louisiana Wetlands
- Gardening
- Water Safety

Horse Clinic

This month's clinic will be held at the Acadia Parish Rice Arena on February 24th from 6-8 PM. In order to attend youth must be an approved 4-H member AND bring your own horse. For more information or questions, please call Emma Zaunbrecher Tyler at 337-366-2109.
