Medical/Allergy Information

Please note that we are unable to administer medication of any kind, prescription or otherwise, to attending campers. We also do not carry any medications on-site. Therefore, camping youth will either need to be prepared to self-administer any medication brought, or a parent may administer who is attending as a parent volunteer. However, a prescription or doctor's order are required for any medication brought to camp by participating youth.

This program focuses on culinary skills and features a wide variety of foods and ingredients. Therefore, campers will be exposed to a variety of foods while on-site. Please be sure to fill out your camper's health form as accurately as possible, so that we may review potential food allergies prior to the program and arrange for alternatives if possible.

Please note that Camp Grant Walker is Peanut-Free Facility. Please avoid packing any snacks which contain peanuts/tree nuts or may have been processed in a nut facility.

Parent Chaperones

During this program, parents/guardians of participating youth may apply to serve as parent volunteers. When completing the registration form, please indicate if you are interested in this position when prompted to do so. In order to serve as a parent volunteer, you must successfully pass a background check and complete the Louisiana 4-H Overnight Chaperone Online Training Program. This online training takes approximately 1 hour to complete.

Once you apply to serve as a parent volunteer, a Camp Grant Walker staff member will contact you to provide information on how to complete these requirements. For parents attending as a volunteer, you will also need to complete a Health Form and turn in, so be sure to print two copies when prompted during the Online Registration Form.

Please Note: *Capacity restrictions or background screening turnaround time restrictions may prevent some applicants from serving in this capacity, and all applicants may not be able to attend. If you wish to serve as a parent volunteer, please apply/register ASAP to ensure we receive your screening form back in time.*
