The St. Helena Parish 4-H Foundation would like to invite you to help us support Youth Development activities associated with the 4-H program through your generous partnership. At St. Helena 4-H, we believe every young person deserves the chance to be ***Beyond Ready***—fully prepared not only for their future careers but also for the challenges and opportunities life presents. Our goal is to expand 4-H to reach more youth throughout St. Helena Parish; ensuring they are equipped with the skills and experiences needed to succeed in both their professional and personal lives. Preparing youth to be ***Beyond Ready***, you will be helping shape the future of St. Helena Parish. Ensuring that the next generation is ready to lead, innovate, and strengthen our communities and economy, your financial investment in 4-H youth will help provide transformative experiences in leadership, teamwork, critical thinking, and responsibility. By supporting 4-H, you will be investing in young people who are ready to contribute to the success and growth of St. Helena Parish.
