

2001

Patents, Journal Publications & Presentations

1. Day, D. F., Yoo, S. K., Kyun, S., and Kim D. (2001) **Co-Production of Dextran and Mannitol by *Leuconostoc Mesenteroides***. Microbiology and Biotechnology. 11:880-883.
2. Rein, P. W. (2001) **ISSCT - An organization adapting to the 21st century**. Int. Sugar Journal. 103: 1225, 34-35.
3. Rein, P. W. (2001) **Strategies for the expansion of cane sugar mills**. J. Am. Soc. Sugar Cane Technol. 21, 92 - 101.
4. Rein, P. W. (2001) **Audubon Sugar Institute: Addressing Processing Research Needs**. Louisiana Agriculture. 44:28:00
5. Rein, P. W. (2001) **Audubon Sugar Institute: Poised to Continue Its Proud Tradition**. Louisiana Agriculture. 44:28:00
6. Rein, P. W., Saska, M. (2001) **Supersaturation and crystal content control in vacuum pans**. Poster.
7. Rein, P. W. (2001) **Strategies for the Expansion of Cane Sugar Mills**. Proc. Am. Soc. Sugar Cane Technol.
8. Rein, P. W. (2001) **The Re-Introduction of Formal Sugar Engineering Courses at LSU**. Proc. Am. Soc. Sugar Cane Technol.
9. Rein, P. W. (2001) **Design of Sugar Factory Equipment to Reduce Losses**. Proc. Int. Soc. Sugar Cane Technol. 24:404.
10. Rein, P. W. (2001) **How Do We Arrive at the Optimum Cane Quality Payment System?** Sugar Bulletin. 80:3, 9-12.
11. Rein, P. W. (2001) **Improving Sugar Mill Recoveries and Efficiencies by Optimizing Measurements and Analyses**. Sugar Bulletin. 79:12, 10-12.
12. Rein, P. W. (2001) **The ISSCT Congress in Australia**. Sugar Bulletin. 80:2, 10-12.
13. Rein, P. W. (2001) **Molasses Exhaustion**. Sugar Bulletin. 80:1, 9-10.
14. Rein, P. W. (2001) **The Role of Audubon Sugar Institute**. Sugar Bulletin. 79:4, 14-18.
15. Rein, P. W. (2001) **Developments at Audubon Sugar Institute**. Sugar Journal (Louisiana). 63: 10, 22-28.
16. Rein, P. W. (2001) **ISSCT - an organization adapting to the 21st century**. Sugar Journal (Louisiana). 63: 9, 34-35.

17. Saska, M., Rein, P. W. (2001) **Supersaturation and Crystal Content Control in Vacuum Pans.**
Proceedings of the Sugar Industry Technologists, Inc. 251-261
