

2023

Camper Parking/ Traffic Flow /Livestock Unloading Plan

1. All Campers must check in at main gate before parking.
2. All trucks and trailers hauling **livestock** must first report to Cajun Field parking lot to check health papers. Enter at Gate 3 from West Congress Street. Following health paper check:
 *Cattle must enter show grounds from Cajundome Boulevard (see map).
 *Sheep, Goats & Hogs must enter show grounds from Coliseum Road (see map)
3. Trailers carrying mixed loads should plan to unload sheep/goats first, then hogs, then cattle.
4. Poultry must enter show grounds from Johnston Street (see map). Poultry health papers will be checked along with birds at check-in/arrival.
5. After unloading, all livestock trailers must be parked in the designated area at Cajun Field.
