History of LEAFCS

HISTORY OF THE LOUISIANA ASSOCIATION OF EXTENSION HOME ECONOMISTS

The Louisiana Association of Extension Home Economists was reorganized August 1, 1944, during the Agents' Annual Meeting at LSU. (Records and information on a previous organization cannot be located.) Forty-seven (47) charter members were in attendance, and by the end of 1944, the Association had a membership of seventy-one (71). Dues were \$2.00.

1945 showed an increase to 78 members and, by 1947, the Association's membership had grown to 94 members. Dues were increased to \$3.00.

In 1949, membership dues were increased to \$5.00. Of this amount, National dues were \$1.50, and State dues were \$3.50.

The object of the Louisiana Extension Home Economists Association was established to provide a permanent State Organization for Extension Home Economists of Louisiana whereby professional standards may be raised, fellowship among its members may be promoted; a centralized means for the exchange of ideas and methods may be provided; and the Louisiana organization be affiliated with the National Association of Extension Home Economists.

Each year the Association met at a dinner during the annual Extension Agents' Conference until 1945 when it met off the Campus (Camp Grant Walker). In 1950 and 1951 the Association again met at Camp Grant Walker. In 1952 the organization decided to meet in the various districts (4), with the first being in the Southwest District at the Hotel Bentley in Alexandria. This practice has continued since, even though a redistricting of the Extension parishes reduced the number of districts to three (3) in 1958.

In 1959, the State Association was host to the National Association of Extension Home Economists at the Jung Hotel, New Orleans, October 20-24. The attendance at this meeting was 1,163 – the largest to that date. Tours to the bayou and plantation sections, to antebellum homes of the Old South and to the historic Vieux Carre' were planned by members of the State Association who served as guides and who made the convention an outstanding success.

In 1961 dues were increased from \$5.00 to \$6.50 with a membership of 114 agents. In 1964 dues were increased from \$6.50 to \$8.50 with a membership of 117. In 1965 the By-Laws were revised. In 1970 the dues were changed to \$10.00.

In 1974 dues were increased from \$10.00 to \$12.50 and the By-Laws were revised. In 1978 the dues were increased to \$20.00. The By-Laws were revised in 1977, 1979 and 1980.

The 80's brought about an increase in dues from \$20.00 to \$30.00 in December 1981. Each member was asked to voluntarily contribute \$5.00 toward the Multi-Media Project "Report to America." The By-Laws have been revised in 1980 and in 1981.

December 1982 – the membership voted an increase in dues from \$30.00 to \$35.00. Twenty dollars for NAEHE and \$15.00 for LAEHE. The By-Laws and Policies were revised also at this meeting.

January 1983 – The handbook underwent a major revision. It has been revised to follow Title IX guidelines.

June 1989 – The handbook was placed in the computer. Updating was begun.

December 1990 – Updating and clarification was completed. Proof copies were distributed to the board at annual conference.

May 1991 – The updated handbook was distributed to members at the LAEHE Annual Meeting in Alexandria. The handbook is now on diskette in WordPerfect 5.1.

May 1991 – Dues were increased to \$40 for less than 5 years and \$50 for more than 5 years.

May 1992 – The Association met in St. Francisville, Louisiana. Mrs. Beverly Bruce, President, presided over the downsized association. The association held their first Legislative Breakfast with huge success at the State Capitol in Baton Rouge. Financial problems were addressed. A booth at national helped.

May 1993 – The Association faced financial disaster until the leadership initiated two fund raising activities. The sale of Nutty Buddies and Livestock Show T-shirts saved the budget. The State Meeting held in Monroe held their first Past State Presidents' Luncheon. Mrs. Beverly Bruce presided.

May 1994 – The LAEHE Annual Meeting was held in Jennings, Louisiana with Mrs. Ellavee Varnado presiding. The two fund raisers initiated in 1993 and repeated in 1994 brought the association out of the red. DSA and Award Recipients received monies from sponsors to attend National Convention. The association received partial sponsorship for the annual convention.

May 1995 – State Convention expenses were completely sponsored for the first time. Association dues were increased to \$50.00 for less than five years and \$60.00 for more than five years. The Constitution and By-Laws were revised. Mrs. Ellavee Varnado presided over the annual convention in Gonzales.

May 1996 – The LAEHE Annual Meeting was held in Bossier City, Louisiana, with Mrs. Margaret Stoker presiding. The membership voted to give the two Continued Excellence Awards in memory of Dr. Betty Jane Fairchild, with the change to be implemented at the Annual Meeting in 1997.

May 1997 – The Association voted to change the name to the Louisiana Extension Association of Family and Consumer Sciences.

October 1997 – Members attend Galaxy I Conference, the first joint conference of NEAFCS, NAE4-HA and ESP in Cincinnati, Ohio.

LEAFCS moves into new areas of technology with the establishment of state website.

2001 – LaHouse project begins and LEAFCS becomes a Green Club donor with a \$1000.00 donation to this non-agriculture research project.

2002 – State Convention held in Natchez, MS as a result of a lack of hotel accommodations in the Delta area of the state. Mississippi agents were invited to participate. By-laws were changed in relation to dues.

2003 – Members attend the Galaxy II Conference held in Salt Lake City, Utah. Association members provided seed money to start LEAFCS Scholarship Fund to benefit its members for leadership or professional development.

2004 – Moved Annual Spring Meeting to March this year only to coincide with Human Ecology/Ag Center FCS Summit Meeting and appearance by Chancellor's Distinguished Lecturer , Dr. Pauline Boss.

2005 - Convention held again in a Louisiana-Mississippi joint location with meetings being held in Oak Grove, LA, & Vicksburg, MS. Committee also worked to have name changed on state tax documents & to get LEAFCS reinstated under our association's present name. Members dealt professionally as well as personally with the devastation caused by Hurricanes Katrina and Rita.

2006- Four by-laws were changed to correspond with National by-laws. They include: adding a membership classification of Associate Member; Life Membership after 5 years in the association instead of 10; and National dues were increased to \$60.00 with the fee for life membership being three times the amount assessed nationally for active members; and retirees will receive a gift of crystal or pewter at a cost of \$25 instead of a plaque. The LEAFCS website went online at http://www.lsuagcenter.com/en/administration/about_us/professional_organizations/leafcs/handbook/.

2011 – FCS Department and 4-H Department merged into new department entitled: 4-H Youth and Family Development Department. Two focus areas for adult programming were eliminated from the FCS program and those were Family and Child Development and Family Resource Management. The new focus for adult FCS programming will be on Nutrition and Health with a major initiative being put forth in the area of Childhood Obesity for the new department. FCD and FRM programs will continue to be offered to youth in the state.

2013 – LEAFCS Handbook underwent a complete revision. 1. Only one (1) copy of the Online Awards Application is required: this copy is the printout that is received following the submission of the online application. Only those awards that are applied for online will be judged. Do not use previous year's award application forms, as they will not be in the online judging system. The applicant and Affiliate awards chair need to sign each application form. The online award application form should be placed as the cover of the award packet. (Judges should not need to open a cover to see the online application.)
2. Judging criteria is listed for each award. Please check under each award entered for specific requirements and eligibility. Consult the judging sheet (available on the website) also to insure that all requirements are met.
3. Letters of support are required for the following: Greenwood Frysinger, Florence Hall, New Professional, Mary W. Wells Memorial Diversity Award, NEAFCS Educator of the Year, and the Community Partnership Award. Letters of support for the Distinguished Service or Continued Excellence Awards are not required at the national level.

- Affiliates are allowed to submit the following number of applications for awards, as related to paid active Affiliate membership on January 1st. This applies to all awards, including the Distinguished Service Award and the Continued Excellence Award, as well as program and communication awards. Affiliates may submit as many Extension Educator of the Year applications as they receive and choose to send forward for national judging.

Recipients of the Distinguished Service Award must have a minimum of 10 years membership in NEAFCS and have attended two annual sessions. Eligible recipients must notify the Awards and Recognition Chair of their eligibility and complete the NEAFCS online award application form. DSA Award Winner will receive \$1500 to attend the National Session the year of their award. If they do not attend they forfeit the award money.

Recipients of the Continued Excellence Award must have a minimum of 12 years membership in NEAFCS, attended three Annual Sessions and have been a DSA recipient. Eligible recipients must notify the Professional Development Awards Chair of their eligibility and complete the NEAFCS online award application form. Continued Excellence Award Winner will receive \$1500 to attend the National Session the year of their award. If they do not attend they forfeit the award money.

- For team award applications, only the team leader completes the *online award* application. All team members are listed on the online award application and membership or non-membership is designated. All NEAFCS members listed as team members must have dues paid by January 1st to be recognized as NEAFCS members. If the team is applying for more than one award, please have the same team member fill out each online application form.
- Only team members listed on the online award application will be recognized at Annual Session and/or will receive certificates. **Additional team members cannot be added after the application deadline date.**
- NEAFCS members must apply for awards for themselves. Others may prepare award applications, and do the “groundwork” but, the online application should be done by the person named on the application form.
- No titles or professional designations will be used on award certificates, only names.
- For team award applications, all correspondence will be addressed to the team leader only. It is the responsibility of the team leader to communicate with other team members. Award

checks and/or scholarships will be issued in the name of the team leader only and it is the responsibility of that leader to divide monies or compensation as agreed by the team.

10. Supplementary materials accompanying the application should be typed with all pages labeled. Some award applications limit the number of supplemental pages or pieces. Check the requirements, point deductions will be taken for those exceeding or not meeting the requirements.
11. Listing of accomplishments is limited to the time span of the applicant's nominated project or program.
12. Applicants should keep a file copy of the total application package submitted.
13. Applications will NOT be returned. Only National award winning applications will be available for return at the end of Annual Session. Applications must be picked up and will not be mailed.
14. Award applications should be packaged in appropriate plastic sleeves, view binders or notebooks. Awards that do not have supplemental materials may be best displayed in a clear front report cover with a slide or three pronged fasteners. Those that have bulky supplemental materials, including CD's, or DVD's or any other items will be easier to judge in sleeves in a three ring notebook (**limit ONE three ring notebook per application**) in which the supplemental materials can be displayed without damaging the contents or the item to be included in the award application. Brochures, flyers, newsletters, or other supplemental pieces need to be in separate plastic sleeves and clearly labeled. CD's, DVD's, and dongles (flash drive or jump drive) need to be **labeled and securely affixed** to the three ring binders so they do not become separated from the award application. Printed instructions should be included on the format and software used for each CD or DVD included. Make sure all supplemental pieces are clearly marked with the applicant name, award category, entry number and Affiliate name. Be sure to include all supporting documents and the signed Online Award Application form with all awards.
15. Action Photo – include a 5" x 7" "action photo" of yourself or your team members (not your audience!) depicting your award efforts with name, state and award category written on the back. Place in a clear sleeve protector and include with application. If the applicant is a national winner the photo will be displayed along with their winning award application packet at Annual Session.
16. NEAFCS Logo Policy - all award submissions using the NEAFCS and Living Well logos must use them in their entirety including any taglines associated with the logos or trademarks. (No additions or omissions). Awards not complying will be disqualified. Use of the logos is optional, but if the logos are used they must be used properly.
17. Awards that include a partial scholarship to attend Annual Session must be used the year the award is received. The scholarship will be given in the form of a credit toward the cost of a full-time registration fee for NEAFCS Annual Session (no checks will be issued). If the applicant is not able to attend Annual Session the year the award is received the scholarship will be forfeited but the award certificate will still be given to the recipient. In the case of team awards, the scholarship will be given to the individual who completed the online award application (team leader). It will be the responsibility of the team leader to compensate other team members per agreement by the team. If the team leader is not able to attend Annual Session they may designate in writing, one (1) other team member (whose name appears on the original online award application) to receive the partial scholarship to attend Annual Session the year the award is received.

PUBLICITY

1. NEAFCS requests that no publicity be released until the official award presentations are made at NEAFCS Annual Session.
2. Program results from applications may be shared in such publications as *The Journal of Family and Consumer Sciences*, *The Journal of NEAFCS*, and *Journal of Extension*.
3. It is the responsibility of the award winner(s) to prepare and distribute publicity.
4. Press releases for the award winner(s) will be available following the Annual Session on the NEAFCS web site in the awards section. Click on "Awards" at the top of the home page.
