

# ABOUT WALK AUDITS

In a walk audit, a group of people identify barriers that exist for getting safely from one place to another on by foot, bike, or wheelchair. The LSU AgCenter has several walk audit assessment forms available, including ones that focus on parks and schools.

## WHAT ROUTE TO ASSESS

Prioritize everyday destinations where people in the community are already walking or biking from one place to another (like libraries, schools, parks, and grocery stores).

## WHO TO INVITE

- Elected officials
- Librarians
- Teachers & coaches
- Pastors & church representatives
- Community members
