## Set S.M.A.R.T. Project Goals

Use the space below to set your project goals . What do you want to accomplish in your project? How can you help your club and community through your project work? Talk it over with your parents, leader or agent. Make them Specific, Measurable, Attainable, Realistic, and Timely. Provide some action steps to get you there.

<b>Goal</b> Example: Make others aware of Healthy Eating Choices	<b>Action Steps:</b> Create Exhibit for parish food contest, present at club meeting, etc.

## Guided Project Resources & Learning Experiences

What guided activities from project books, activity guides, books, tutorials and other resources did you use? List your project resources below.

Resource Title and/or Description	What was learned

Louisiana 4-H is an educational program of the LSU AgCenter.
