# 4-H Club Reporter's Scrapbook Contest Guidelines

The following information applies to the 4-H Club Reporter's Scrapbook Contest on the special programs during your club meetings in this 4-H year.

The report should be organized as follows:

1. Begin with basic information about your club; club name, address, enrollment and grade range of members.
2. Ideas to include in your scrapbook:
  - Club group photo
  - Photos of club events
  - Contest results of your club members
  - Pictures members in action
  - Programs from any events 4-H attended
  - Officer Team Photo
  - Pictures of ribbons won
  - Social media shout outs
  - Pictures of contest entries like pumpkins, posters, cookery dishes, etc
  - Thank you notes received
3. Divide material by months if there is a large amount of material.
4. Neat, but not decorative, scrapbook should be used for mounting the clippings. The report should be assembled in a sturdy binder. The 4-H record book cover is ideal.
5. Complete the Record Sheet from the 4-H Reporter's handbook and include at the beginning of the scrapbook.

## MONTHLY REPORT

Fall Fest happened on Saturday, November 2nd at J. Wallace James Elementary. Our club had several members participate in Fall Fest this year.

- Allie placed first in the beef one dish cookery contest.
- James placed third in the bicycle rodeo.
- Carter, Wyatt, Zoe, and Broty brought their pets for the pet show. They all received blue ribbons.
- Our leader, Ms. Katie, was a judge of the pumpkin decorating contest and took pictures of our club members at Fall Fest.

Congratulations to all of our 4-H club members that participated in Fall Fest. Remember to take pictures of your ribbons and results to add them to your record book.
