Foreword

Greetings Gamma Sigma Delta!

Welcome to the 68th edition of the Gamma Sigma Delta annual newsletter. 2013-2014 was a busy year for Gamma Sigma Deltas across the globe, as we continued to engage our academic communities in food and agriculture teaching, research and outreach. The International Executive Committee extends our thanks and congratulations to all chapters that participated in annual activities, including the Conclave, induction of new members and various local efforts to meet challenges in agriculture, human nutrition and environmental sustainability. We highlight chapter accomplishments in this newsletter, including:

- Outstanding Chapter Award – *Louisiana State University*
- Most Improved Chapter Award – *EPA Honduras Chapter*
- New Activity Award – *University of Wyoming*
- International Foundation Scholarship Award – *Michael Hannewald, Ohio State University*
- Distinguished Achievement in Agriculture Award – *Dr. Juan Carlos Rosas Sotomayor*

Readers will also find our list of Chapters recognized for excellence, enrichment grant awardees, executive committee meeting minutes and a record of all primary activities of Gamma Sigma Delta in 2013-2014. We are looking forward to sharing our work with GSD in the coming year and encourage all members to contact the International Chapter Officers with questions, comments or news to share.

New! Social Media Communications

Gamma Sigma Delta has launched a new social media initiative to engage with members and the wider food and agriculture community throughout the year. We are now on Twitter **@GammaSigmaDelta** and encourage members to check out the account. Recent posts and retweets share links to articles across a range of topics, including the ongoing drought in the West, harvest news from state Farm Bureaus, the latest on plant pests and diseases, discussions around ag technologies, such as GMOs and precision methods, etc. For those that have never tried Twitter, think of it as a tailored news feed. Twitter participants only receive the latest posts by groups that they choose to follow. The Twitter platform is a great resource for academics that like to incorporate food and ag-related current events in the classroom and allows farmers and ranchers from all over the world to communicate in real time. Hope to see new members there! To keep up with the latest GSD news and activities, please also check our Gamma Sigma Delta website www.gammasigmadelta.org.

Best wishes,

Denneal Jamison-McClung, PhD

2014 – 2015 International Officers

The International Officers of Gamma Sigma Delta are volunteers who are elected at the Biennial Conclave of the Society. There are no paid staff members. The International Secretary's office serves as the contact point for the International Society and, together with the International Treasurer, coordinates the ordering of membership and award certificates, plaques, jewelry, and other items for the local chapters. The International Officers publish an annual newsletter; select the recipients of the Society's awards; review policies; encourage establishment of new chapters; work with existing chapters on program development; and plan and conduct the Biennial Conclave with chapter representatives. The following officers were elected at the 2014 Conclave and will serve to June 30, 2016.

International President's Message - Greetings in the New Year!

The commencement of the 2015 academic year brings great opportunities for Gamma Sigma Delta worldwide. The 2014 Conclave held in Lincoln, Nebraska during June was an inspirational event, challenging the Executive Committee, the delegates, other participants, and members worldwide to

- Make Gamma Sigma Delta a Big Deal;
- Enact Generative Leadership; and
- Effectively Network and Communicate.

Dennis Brink, our Internal President and Conclave Host along with Tamra Jackson-Ziems and Rick Rasby, Co-Chairs of local arrangements, and numerous others provided an excellent forum of discussion and information exchange, encouraging us all to amplify our local chapters' presence, activities, and recognition among students, faculty, administrators, alumni, and industry. I encourage each chapter's leadership to refer to the International Gamma Sigma Delta web site, <http://www.gammasigmadelta.org/>, and download and closely examine the Conclave proceedings. Dennis and Seth Barnes eloquently summarize the Conclave, indicating essential elements for individual members, local chapters, and the International Gamma Sigma Delta Honor Society of Agriculture to pursue in the future. Included in the Proceedings is a link to several chapters' Activities presentations, which highlight numerous activities, being implemented by some of our more active chapters. Those chapters seeking to elevate their college and campus presence are encouraged to use these materials to identify pathways for additional successes.

While looking to the future, we also recognized past successes at the Conclave. Louisiana State University was selected as the outstanding Chapter for 2013-2014, Honduras was identified as the Most Improved Chapter, Wyoming was recognized with the New Chapter Activity Award, and Tuskegee received a Gold Award, Texas A&M, Honduras, and Penn State were awarded Silver status, and the University of Arkansas – Pine Bluff, Kansas State, Wyoming, and Nebraska chapters all garnered Bronze distinction. Congratulations to each of these chapters and their members!

While the Nebraska Conclave was a time of enthusiastic optimism for the future of Gamma Sigma Delta, it also included a moment of somber reflection and special tribute to Dr. John Riley, acknowledging his 23 years as an International Gamma Sigma Delta officer, 19 years of which was as Secretary. Charlene Wolf-Hall representing International Gamma Sigma Delta officers and Justin Crowe on behalf of the Tennessee Chapter led the tribute, commemorating John's selfless service and his genuine devotion to and love of Gamma Sigma Delta and all students.

Our activities during 2014 have been reflective and futuristic in scope. Our time is now, but our collective outcome of progress and distinction for our Society depends largely on what we individually and collectively do in our respective chapters to realize the value of Gamma Sigma Delta for our current and future members. Engagement with department, college, and university administrators is encouraged to seek their enhanced endorsement and support for Gamma Sigma Delta at your university. Our 53 chapters installed at universities throughout the United States, Puerto Rico, the Philippines, and Honduras offer immense opportunities to facilitate networking among current members, alumni, and industry leaders and to recognize notable achievements in teaching, research, extension, industry, and leadership activities directed toward addressing societal challenges related to food, fuel, water, health, economies, landscapes, and people.

Our individual and collective challenge this year remains the same as it has been for the 109 years of our existence -- make Gamma Sigma Delta more relevant and recognized on your campus and throughout the United States, Puerto Rico, the Philippines, Honduras, and the rest of the world in 2015.

M. Edward "Ed" Rister
International President
Texas A&M University – College Station

2013-2014 Outstanding Chapter Award

Louisiana State University

The Louisiana State University Chapter's full slate of officers had a very busy year continuing many projects that have been going on for several years along with induction of 34 new members and presenting 33 Award of Merit Certificates plus 60 other awards including a \$150 award for Undergraduate Research Poster, and State Science Fair awards of \$50 for Junior and \$100 for Senior student. Faculty Award of Merits were presented to Dr. Neely Walker, School of Animal Sciences, for Extension; Joan King, School of Nutrition and Food Sciences, for teaching; and Charles Overstreet, Department of Plant Pathology, LSU's Distinguish Achievement in Agriculture.

The Chapter held fall and spring business meetings plus five Executive Committee meetings during the year. The meetings allowed them to plan the many events. Their Fall Initiation Ceremony and Reception had 65 and the Spring Awards Banquet had 35 initiates, members and guests. Dr. William B. Richardson, Vice President for Agriculture and Dean of the LSU College of Agriculture and Dr. F. King Alexander, President and Chancellor of LSU presented keynote addresses.

Thirty-two faculty members received awards for their outstanding efforts above and beyond the call of duty through the College of Agriculture Teacher Merit Honor Roll. GSD members served as judges and the Chapter presented awards as part of the Louisiana State Science and Engineering Fair.

For 24 years, the Chapter has maintained Display Cases that emphasize Gamma Sigma Delta. The Chapter also uses press releases, their Internet Home page, www.lsuagcenter.com/gsd, to promote their activities.

Each year, the LSU Chapter presents "Tiger Award" plaques or year plates to the first place chapter teams in the ten state FFA contests held at LSU. The first time that an FFA chapter wins a state contest, it receives a 14" by 18" wall plaque. For each subsequent state contest win, a year plate that can be mounted on the plaque is awarded to the chapter.

The Graduate Student Merit Honor Roll was initiated eight years ago. Based on the very successful Teaching Merit Honor Roll, this program was established to recognize graduate student achievement beyond the GPA. Graduate students play an important role in carrying out the mission of the College and the University. The Chapter maintains a scholarship fund for freshmen undergraduate student that excels in agriculture disciplines.

The Graduate Student Farm and Agribusiness Tour was a new activity for 2014. Given today's economic realities, present day students in the college of agriculture across the United States are coming less and less from farming backgrounds. Some of these students have not had a chance to see a functioning American Agriculture enterprise. International students joining LSU come from different backgrounds with limited or no knowledge of American Agriculture. Tour stops were a vertically-integrated poultry farm, sugarcane production and Macon Ridge Wheat Field Day.

2013-2014 Chapter Recognition Program

Gold, Silver and Bronze Chapters

Friendly competition for International awards continues to increase each year as chapters become more active and send their annual reports to the International Secretary. The International Executive Committee voted in 2005 to expand the Chapter Recognition Program to reflect the accomplishments of many chapters instead of only a few. In addition to selecting the Outstanding Chapter and Most Improved Chapter, the Executive Committee also recognizes additional chapters at the Gold, Silver, and Bronze levels. For 2013-2014, those chapters are:

Gold Chapter

Alabama - Tuskegee University

Silver Chapters

Texas A & M University

Honduras- Escuela Agrícola Panamericana

Pennsylvania State University

Bronze Chapters

University of Arkansas – Pine Bluff

Kansas State University

Wyoming University

Nebraska University

Congratulations to each of the officers and members of these chapters!

2013-2014 Most Improved Chapter Award

EPA Honduras Chapter

In 2005, the International Executive Committee voted to expand the chapter recognition program by selecting the Most Improved Chapter, based on year-to-year activities, as evaluated from the annual chapter reports submitted each May.

In 2013-14, the EPA Honduras Chapter had 100% of the 35 invited initiates accept. The October initiation of new members started off with an opening speech by Roberto Cuevas Garcia, their University President and member of GSD.

The Chapter presented a US\$300 donation to the Zamorano Volunteer Ambulance Corps (CVA) toward purchase of an ambulance for the University. Students, faculty and staff are CVA volunteers. They provide first aid and emergency medical care to the Zamorano community. The members are also trained and have equipment for rescue in the mountains and water. The CVA started to raise money to purchase a new ambulance last year. The GSD Chapter fund raising activity included members making and selling pizza along with CVA volunteers demonstrating some important first aid skills.

The Chapter received a Gamma Sigma Delta International Enrichment Grant for the “Juan Carlos Rosas Annual Research Competition.” The grant was matched by the University. The funds are for research operating expenses for GSD individual student or teams.

The Chapter received the 2013 New Chapter Activity Award that was presented by International Treasurer, Michael Brugger. The Chapter received support to send a delegate to the 2014 International Conclave and sent in a nomination for the GSD Distinguished Achievement in Agriculture Award.

***Congratulations to the EAP-Honduras University Chapter for earning
the 2013-2014 Most Improved Chapter Award!***

2013-2014 New Activity Award

University of Wyoming

Each year the Executive Committee selects a chapter for the new activity award. This is based on the new activities reported in their annual report.

Field Trip – Gamma Sigma Delta, the honor society of agriculture, sponsored a field trip for a group of students, faculty and staff to the Cozy Cow Dairy in Windsor, Colorado in April. The group included both undergraduate and graduate students from the College of Agriculture and Natural Resources.

The trip was organized by Dannele Peck (Chapter Secretary) and Cassie Nelson, Senior in Ag Business, using funding from Gamma Sigma Delta International. Among the participants was Connie Kirchner, Professor Emeritus from UW Animal Science and Gamma Sigma Delta Historian. Gamma Sigma Delta is celebrating its 98th year this year. UW has had a chapter since 1961. The trip was meant to increase awareness of Gamma Sigma Delta and provide students with a fun way of increasing their knowledge of agricultural systems. The aim of Gamma Sigma Delta is to encourage excellence in the practice of all agricultural pursuits, and what better way to see agricultural sciences at work than in a new entrepreneurial venture that crosses disciplines.

Cozy Cow Dairy milks 65 head of Jersey cows, which give milk with a higher cream content than Holsteins. The dairy has a creamery attached where they make cheese, butter and ice cream. The group was treated to an in-depth tour of the facility where they were able to ask detailed questions. Milking was underway while the group was there and they saw the process from start to finish. Cheese curd production was also in process, so the group was able to see this in practice and ask questions about the process. Cheese curds are one of the dairy's main products that are being sold to "Irish pubs" along the Front Range and are very popular.

The dairy has recently changed hands and the new owners are keen to make some changes. This made for some interesting discussions among the group as to potential business models that the dairy could pursue.

The store was open while the group was there and they were able to buy cheese, butter, ice cream and non-homogenized whole milk.

New Marketing Activities – Promotional flyers were distributed to advisors and promotional posters were distributed to departments and displayed around the college. They sent an invoice with a note to current faculty/staff members for payment of dues.

***Congratulations to the University of Wyoming Chapter for earning the
2013-2014 New Activity Chapter Award!***

Gamma Sigma Delta sponsors a chapter enrichment grant program each year to encourage and promote the development of projects at the chapter level. Projects are generally for one year in duration, and a maximum of \$750 may be awarded to each chapter selected.

Four proposals were received and three were funded:

- Louisiana State University – “Agriculture and Agribusiness Tour” (\$450).
- North Carolina A & T University – “Gamma Sigma Delta Lunch and Learn Seminar- Opportunities for Student Success” (\$500).
- Zamorano University of Honduras – “Juan Carlos Rosas Annual Research Competition” (\$750).

2013-2014 International Foundation Scholarship Award

The 2013-2014 recipient of the Honor Society of Agriculture Gamma Sigma Delta International Foundation Scholarship is Michael Hannewald, a senior at The Ohio State University in Sustainable Plant Systems with a minor in Agribusiness. Michael's honor thesis centered on developing guidelines for variable rate nitrogen application for corn on farm acreage utilizing precision techniques. He received the Ohio Chapter Gamma Sigma Delta Senior Award of Merit and the Newcomb Award as a top five class scholar.

Leadership Development has been a major goal throughout his years at Ohio State. He served as President of Collegiate Young Farmers his senior year. For two years, he was chairperson for the Farm to Fork Food Dialogue, an agriculture advocacy activity involving students across campus. Michael was co-chair of the Scarlet and Gray Ag Day, a hands-on experience for over 650 elementary students from Central Ohio Schools. Over \$10,000 was raised to fund the event. The Scarlet and Gray Organization, under Michael's direction, prepared 650 food kits for local food banks. Michael was one of 50 students from across the United States to participate in the New Century Farmer Conference sponsored by National FFA.

Michael serves as coordinator of precision ag endeavors on the 900 acre family grain farm and assists with all farm planning and operations. He was a summer sales intern with Beck's Hybrids in 2013 and an agronomy support/research intern with Trupointe Cooperative.

President called the meeting to order at 1:05 p.m. Eastern Standard Time.

Present on the conference call were Dennis Brink, Ed Rister, Mike Brugger, Navam Hettiarachchy and Charlene Wolf-Hall

Enrichment awards

1. Proposal requests have been sent on November 13 with a due date of December 4. Navam Hettiarachchy will send a reminder. There was agreement to extend the application deadline to December 9. The award decision needs to be made by the end of December so the Chapters have the funds for the Spring Semester.

Continue GSD tie tacks

1. Mike Brugger moved to discontinue the tie tack. Ed Rister seconded the motion. Motion carried.

Newsletter

1. Ed Rister will work on it after the end of the Semester. Everyone send info to him. Mike Brugger will pull together everything that the Secretary normally sends and send it to Ed Rister.

Secretary compensation

1. Discussed options besides having the Secretary as an employee. Charlene Wolf-Hall suggested a Honorarium as a possibility. All agreed that would be the way to go and will be addressed at the June Executive Committee meeting.

John Riley Service Scholarship

1. Need the definition of the award and criteria. Reviewed the purpose of scholarship and ideas for criteria. All agreed that this should be an undergraduate student award. Does it show growth during their time at the University? Must be a member of Gamma Sigma Delta. Thoughts included:
 - a. Service to the Department
 - b. Service to the College
 - c. Service to the Community
 - d. Service related to Agriculture and related sciences
 - e. Leadership activity

Conclave plans

1. Workshop
 - a. Dennis Brink has an upcoming meeting to look at plans.
2. Tribute
 - a. Mike Brugger to try to contact past International Officers to see if they have anything to share in a tribute session.
 - b. Ed Rister will make contact with people at the University of Tennessee.
 - c. Thoughts were a short Power Point presentation and then an opportunity for people to share their thoughts.
3. Business meeting (Resolutions, etc.) – Discussed the feasibility of appointment of some committees beforehand.
 - a. Discussed to ask Past Presidents of Gold Chapters to be on a Nomination Committee. Will bring this up at the Conclave.
 - b. Motion made and carried for Dennis Brink and Navam Hettiarachchy to work on handling the posters at the Conclave.

New officers

1. Charlene Wolf-Hall has some contacts that she is following up on. Since there is the possibility of current officers changing positions, it is not clear which positions will need new people.

Honduras plaque presentation

1. Ed Rister moved and Charlene Wolf-Hall seconded to have Mike Brugger make the presentation. Motion carried

Officer responsibilities in the future

1. Now is a good opportunity to review the duties of each officer. One of the options is having an outside organization to handle much of the Secretary and other responsibilities. Everyone is asked to think about this and gather more information for our next conference call. Any changes will require changes in the Constitution and Bylaws. To consider at the June Conclave, the proposed changes need to be sent 30 days before the Conclave. This could also be discussed at the Conclave with plans to implement for the following Conclave as voting on Constitution and Bylaw changes between Conclaves is permitted.

Secretary Update

1. Revising forms to make them easier to fill out in Word
2. Redid the certificate templates in Word
3. Very few new members this fall
4. Banner manufacturer needed. Ed Rister will check on his Chapter's banner.

Meeting adjourned at 2:28 p.m. EST.

Michael Brugger, Secretary.

One Chapter has accounts receivable that is over 90 days old. The UC Davis has an open account from 2013. The funds are handled through the University. The Chapter is working to see if it had been paid and get it paid, if it has not been paid. MOTION: Charlene Wolf-Hall moved approval of the Treasurer's Report and that the report constitutes the audit of the financial records for 2013-2014. Ed Rister seconded the motion. Motion passed.

8. Website.

This past year, there were many modifications to the website to make it easier for the Secretary and Treasurer as well as other officers. Some of the changes are putting access to the nomination and report forms on the website, creating e-mail lists for Chapter Presidents and Secretaries and for Officer Liaison Committees, updating the format of the certificate data, and adding the ability to send reminder of overdue invoices to Chapter representative that ordered them. Discussed having a clearer login box and add a newsletter link on the front page. Also discussed adding Power Point Presentations from Chapters to the website.

10. Discussed the chapter report format.

MOTION: Ed Rister moved that the chapter level renewing membership information be added to the Chapter Reports. Mike Brugger Seconded. Motion passed.

Gamma Sigma Delta Supplies

Gamma Sigma Delta offers a cord that students or faculty can wear at graduation ceremonies. The cord is actually two cords, one a forest green and the other a darker ivory color. Tassels are on the ends of both cords. Cost is \$6.00.

A brass GSD key is also available. The key can be used as a paperweight or on a plaque for a chapter award. The key is the same size as used on Past President plaque. Cost is \$40.00.

A brochure that can be sent with GSD invitations can be ordered at \$10/100. The International Secretary, however, generally makes these available free at the beginning of each semester.

The key pin of the Society is given to each new initiate. That same key can be ordered individually for others who would like to wear the key pin. Cost is \$5.00.

Stick-on name badges with the key insignia and the words 'Gamma Sigma Delta The Honor Society of Agriculture' are \$1.00 for a sheet of 8 badges.

In addition to initiation certificates, a similar award certificate can be purchased. The certificate has the recipient's name, the name of the award with the words 'Award of Merit' following, the chapter's name, and the date of the award. Cost is \$2.50 per certificate.

All the above supplies are pictured on the Society's web page order form. Go the gammasisgmadelta.org and log into the administrative section to get to the order form. That section is reserved, however, for chapter officers only.
