2017 4-H University Clover College Ranking Form

Name: _____

Rank	Program
	<p>Drones, Maps, and Apps! Oh My! Participants will learn about Geographic Information Systems (GIS).</p>
	<p>Exploring the World of Sports Participants will learn about the behind-the-scenes management of athletics on the LSU campus.</p>
	<p>Forensics: The First 48 Hours Participants will experience great opportunities, and to top off the session will take a field trip to an actual Crime Lab.</p>
	<p>The Futures Fund – Level I Photography Workshop Participants will learn basic camera operations, lighting and color theory while developing a basic understanding of the principles of photography.</p>
	<p>Health Professions 101: So Much More than Doctors and Nurses! Participants will explore the roles of various health professions during this activity-filled session.</p>
	<p>Horsemanship 101 Participants will have a hands-on opportunity to learn and practice skills essential to becoming a horseman.</p>
	<p>Lights, Camera, Action! Participants will have fun creating, writing, directing, videotaping, and starring in their own Public Service Announcement.</p>
	<p>LSU Student Experience: Life in the College of Agriculture Participants will learn about the history and traditions of LSU.</p>
	<p>Project Runway Participants will gain experience in working back stage as they add finishing touches to their outfit, and have a photoshoot.</p>
	<p>Sound, Music, and Thinking Outside the Box Participants will learn how sound impacts our senses and how they can use sound to create connections to their audiences and fellow performers.</p>
	<p>Tracking Toxins: Investigations in Environmental Science Participants will learn how scientists protect human health by investigating hazardous substances in the environment.</p>
	<p>A Zookeeper's Guide to Saving the World Participants will join the Audubon Zoo staff and explore ways to help animals and protect the environment.</p>
