

# Why Attend?

# Schedule

# More Info

## Earn supplemental income from your land

We help landowners learn about generating supplemental income from their property. Whether you have considered an outdoor business or already have a business that you wish to expand, the information at this workshop will help you.

## Talk directly to experts and business owners

Morning presentations will allow you ask questions and talk to legal experts, wildlife habitat specialists, local outdoor business owners, accountants, marketing specialists, and more.

## Get in-the-field habitat management training

The afternoon field session will provide an opportunity for hands-on training about wildlife habitat management as experts provide tips and show you examples. You will have the opportunity to ask questions throughout the tour.

## Learn about different outdoor businesses

Examples include outdoor recreation businesses such as hunting leases, fee fishing, and agritourism related ventures (i.e. horseback riding, birding, wildlife watching, nature trails).

## Need more information?

Visit the Natural Resource Enterprises program website at [www.naturalresources.msstate.edu](http://www.naturalresources.msstate.edu) for information about what we do, how to start a business, how to operate a business, how to grow a business, and more.

The Natural Resource Enterprises program is a partnership between Mississippi State University's Extension Service, Forest and Wildlife Research Center, Agricultural and Forestry Experiment Station and the U.S. Fish and Wildlife Service.

## Morning Presentations are held indoors 9am - noon

Registration begins at 8 am and the program begins at 9.
