LVFC PRESIDENT'S MESSAGE

MARTHA LATIMER

Dear VFC Members,

With the holidays past and plans for warmer day activities gearing up after the ice and snow days that we have had, I hope that all of you have been warm and safe in your homes and enjoyed quality time with your loved ones. My grandsons called that time "our snow party" and some memories were made.

The LVFC State Convention is being planned by the Area 2 members. Lots of exciting events are being planned for the days of April 29, 30 - May 1, 2014. The executive board meeting will be on Monday, April 28. Lots of information is in this Louisiana Bayou and all parish presidents will receive the full registration packet to share with their members.

The postponed WINTER EXECUTIVE BOARD MEETING WILL BE HELD MARCH 6 AT EFFERSON HALL ON THE LSU CAMPUS. Dr. Overstreet has reserved room 214 for us again and we will begin promptly at 10 a.m. and will be finished no later than 3 p.m.

All parish presidents are being invited to attend this board meeting as we plan to have a brainstorming session about the future direction of our organization. Please talk with your members and bring their comments and ideas to the meeting. If you have not sent your \$15 to State Treasurer Pat Chauvin for lunch yet, please do so if you plan to eat.

I am looking forward to jumping back into the swing of activities! This is the year that new officers are elected and WE STILL NEED A PRESIDENT-ELECT!!!! This organization belongs to ALL of us and ALL of us are responsible for it's success. THINK ABOUT WHAT YOU CAN DO FOR LVFC.

"FOCUS: CHOICES! CHALLENGES! CHANGES!". We can do it!

Sincerely,

Martha Latimer

FOR PROGRAMS

Letha S. Briggs

Have you had to make choices this year? Have you been faced with challenges? What changes have you had to make? As the new year 2014 begins, all of us will be faced with one or more of these issues. Hopefully, we will be able to make wise decisions with whatever we are faced with.

Did your local club, parish or area have a speaker or program you thought others might like to hear or take part in? Please share any ideas with me so that I can make these available to other homemaker clubs. New ideas stimulate more interest and enthusiasm - some parish would really welcome new ideas. Let us "share the wealth".

Consult with your parish president concerning deadlines for information that you need to submit to the State Officers and Educational Chairmen - reports, applications for scholarships and awards and any other information that might be needed for the State Convention.

I do hope to see many of you at the State Convention in Houma in late April. Have a wonderful, blessed New Year.

**ENVIRONMENT**

Maxine Wilson, LVFC Environment Chairman, wisely advises ...

Ah, the Coppertone tan. The glowing golden brown of the tan was a sign of "health and vitality". These beliefs came to an end when the damaging effects of UV rays were realized. The wrinkles can be handled with firming creams and face lifts. Skin cancer, however, can be much more of an issue. Types of skin cancer include melanoma and basal cell carcinoma. Melanoma is the more serious of the two. This can spread to other organs and cause lasting damage. Basal cell carcinoma, when treated early, can be more of a bother than a serious health risk. Now, many people have switched to another form of "beauty treatment" that may not be as harmless as they think.

Gel fingernails have become very popular over the past few years. Being able to have beautiful hands and nails by spending a short time in a nail salon sounds like a great idea. Gel nails have replaced acrylic nails for many people because of how natural they appear. However, the process for curing the nails involves holding the hand under an ultra-violet lamp for at least 10 minutes. This exposure has the potential for causing the same types of skin cancer caused by the sun. There are some who think using sunscreen on the hands before holding them under the lamp may be a good preventive measure when curing the gel nails. Ask your nail professional or dermatologist for more information about this issue.

MARKETING LVFC & LEADERSHIP SKILLS

Cheryl Bradley, LVFC Marketing Chair

2014 is in full swing with "Soar with LVFC." Come fly with us as leader-volunteers. The view from the Heavens is spectacular! But we know there is much to be done here in our state to improve our families and communities. Look around your area, list the needs you see and make a plan to address them. Only you can meet the challenges of 2014, and make the changes needed with the help of your members. Our "wings" of volunteerism will help us "soar" to greater heights in 2014.

Try some of these marketing ideas: hot air balloons, paper or real balloons planes, rockets or even spaceships with messages on them, can spread the "Soaring with LVFC" theme with awareness of volunteers and VFC projects in your community. Break the ice at events with balloon games. Write a saying or leadership quality on a paper balloon shape and attach it to back of each member. Then have them guess what it says by giving clues & answering their questions. Have "flying" themed prizes for winners. Have each club tell about a "famous flyer," a person or volunteer who "soared" in their profession or volunteer service. Then use your inspiration to recruit new members and help others "soar" as a part of LVFC.

Thanks to all who continue to market VFC. 2014 has already brought in 900 paid members, 64 of them are new and it's only January! Great job ladies!

You can reach me at 504-733-0739 or jafce1@aol.com

AREA 1

Mary Hennegan, Area 1 Director

Thank you Mitzi Verberne and Terry Voight for an excellent job in 2012 / 2013. It will be hard to follow in your footsteps, but we will try.

I am Area 1 Director and JoAnn Bonck serves as Area 1 secretary. We are both from Jefferson Parish.

Some of Area 1 members will be gathering for the first time in 2014 at the state convention in April and we look forward to seeing old friends and to making new ones. All Area 1 presidents, - please bring your reports detailing your parish activities in 2013.

This is early, but a date has already been scheduled for Area 1 Fun Day. We will be gathering at Rosaryville Spirit Life Center (in Ponchatoula) on June 2nd.

JoAnn and I are looking forward to working with all of you in 2014 & 2015.

Dear Volunteer,

Welcome to our ***2014 LVFC State Convention***. As we roll out the red carpet and sound the trumpets for those who attend, we thank you for continuing to support LVFC's annual event.

Being involved in an LVFC convention takes you to many different locations in our state. This year finds you in Houma, Louisiana, a town that boasts of its tranquil bayous and swamplands. Houma's lakes and five major waterways leads one to the beckoning lure of our famous sportsmen's paradise...with its fishing, hunting, camping, swamp tours, and many Cajun heritage sites. You will also discover major shopping centers, plantation homes, state-of-the-art libraries and museums, and an array of eateries for every palate. Take pleasure in our Cajun, Swamp Pop, Zydeco and many other forms of music, a defining element in our unique way of life in South Louisiana. And we would be remiss if we did not encourage you to ***“Laissez les bon temps rouler”*** – Let the good times roll.

Both Terrebonne parish and our neighboring parish of Lafourche have long been a tourists' magnet. With that in mind, our *Area II Planning Committee* has worked into your convention schedule a unique blend of our region's offerings for tours, fun time, and friendships.

Editor's Notes..... Rosie Trahan

Ummm ... just think about it ... don't you just connect with that Super Woman up there? You have to because being a LVFC member ... Hey! You are one!!! And they plan on boosting our soaring power in Houma. Can't you just feel it? You surely don't want to miss out on that so get your reservations in early. Your parish president has all the rest of the information you need in the packet sent to them. If you have any questions, contact them. And don't forget to send in your medical form along with your registration - your president has that form too.

It's hard to believe, but 2014 is well on its way. Have you broken any of your resolutions yet? It's hard to stick to them and I have to admit I slipped up a couple of times too. But gotta just pick yourself up and keep trying. And on that thought - here's a little inspiration!

Be the Best of Whatever You Are

If you can't be a pine on the top of the hill,
Be a scrub in the valley - but be
The best little scrub at the side of the hill;
Be a bush if you can't be a tree.
If you can't be a bush, be a bit of the green,
Some highway to happier make,
If you can't be a muskie, then just be a bass –
But the liveliest bass in the lake.
We can't all be captains, we've got to be crew,
There's something for all of us here;
There's big work to do, and there's lesser to do;
And the task we must do is near.
If you can't be a highway, then just be a trail,
If you can't be the sun, be a star;
It isn't by size that you win or you fall –
Be the best of whatever you are.
- Douglas Malloch
