<p><b>Bio-Engineering:</b> Take part in a real walking impact test on the food force plate, a device that gives direct feedback on walking impacts when using no supports, leg braces, crutches, etc. See also a rice milling operation on how they separate bran from grain!</p>	<p><b>Choose Your Own Destiny: The ICARE</b> Program provides prevention education to students in the areas of alcohol, tobacco, other drugs, violence, crisis response and management.</p>	<p><b>Gator School:</b> Learn about the value and life of alligators in Louisiana their many uses and values, and actually hold one during the class. You'll also destroy many myths held about alligators.</p>
<p><b>Geaux'ing to College:</b> Get the basics of college life- dorm life, school spirit, Greek organizations, class scheduling and more!. Get the scoop straight from LSU recruiting services personnel who deal with these questions and circumstances on a daily basis. Don't miss this fun, interactive, and informative workshop.</p>	<p><b>Have a Heart: Give the Gift of Life:</b> Where can a profound tragedy bring new life? Do you have the power to make something positive from an otherwise terrible situation? Hear first-hand personal stories about the experience of a second chance at life, and learn what you can do to help save lives.</p>	<p><b>International Agriculture Scholars:</b> You probably aren't aware of it, but every day you use agriculture from around the world. Here's a rare chance to meet and learn from ag experts from Africa, Asia, Europe, the Middle East and Latin America. Learn about the skills needed to work in the field of global agriculture.</p>
<p><b>LaHouse Resource Center Tour:</b> Tour LSU's LaHouse, the ideal LA home! Learn about green sustainable and durable home building and design capable of withstanding hurricanes, floods and other common problems.</p>	<p><b>LSU Admissions:</b> Find out all you need to know to apply to LSU. Topics covered will include admissions requirements, deadlines, scholarships, and what makes LSU such a great place!</p>	<p><b>LSU Athletic Tour:</b> Check out LSU's Tiger Stadium, also known as Death Valley! Get the latest information on new construction projects on the stadium, the PMAC and Mike the Tiger's habitat.</p>
<p><b>LSU AgCenter Food Incubator:</b> Ever wondered how food products get from an idea to the grocery store shelves? Many small businesses get their start right here with the AgCenter sponsored food incubator! This unique business incubator specializes in developing emerging food ventures and provides technical services to companies to help budding entrepreneurs establish and develop new foods and bring them to market.</p>	<p><b>LSU Student Media Tour:</b> Take an inside look at the different forms of student media at LSU. The Office of Student Media is home to LSU's five student-produced media outlets which provide news, information and entertainment to the campus. LSU offers hands-on learning opportunities for students through radio, television, newspaper, magazine and annual yearbook publications.</p>	<p><b>LSU Natural Science Museum:</b> With one of the largest vertebrate tissue collections in the world, it is among the top university based research museums in the nation. View nine habitat dioramas on mammals, birds, reptiles, amphibians and fish, as well as exhibits like the first Mike the Tiger, Experience Antarctica, and Louisiana Native Americans.</p>
<p><b>LSU Veterinary School Tour:</b> Tour all of the facilities of the LSU Veterinary School, including the animal hospital, clinic, school, diagnostic laboratory, surgery suites, radiology suites, and intensive care units. Learn the latest on caring for animals and the future of veterinary medicine.</p>	<p><b>PERTT Lab Tour:</b> LSU is home to the only educational well training facility in America where students gain real, hands-on experience working on a live well. Take a tour of this truly unique facility.</p>	<p><b>Ready, Set, Drive:</b> Food, phone, friends ...which affects your attention most when you are behind the wheel? You'll use your phone and our new driving simulator to test reaction times and more.</p>
<p><b>See YOUR Future Today at the Digital Media Center :</b> Your journey in media arts madness begins here! Learn how to crack into the industry and start a career in video games. See the creative process that goes on behind the scenes of your favorite video games and movies.</p>	<p><b>Show Me the Money:</b> Learn how to establish and use credit wisely. Learn how to establish a savings account, and more importantly, how to maintain and increase your savings account.</p>
