Cloutierville, LA 71416  
(318) 379-0980  
[anderson@cp-tel.net](mailto:anderson@cp-tel.net)

Most nurseries have only a limited supply of pecan trees. It may be necessary to place orders for delivery in the fall or following spring. Pecan trees may be available at local garden centers. This list is furnished for your information with the understanding that no discrimination is intended and no guarantee of reliability is implied.

Contact John Pyzner to add additional tree and scion wood sources to this list.

C – Container trees  
B – Bare root trees  
P – Propagation wood

Revised November 2006

John Pyzner  
Associate Professor, Pecan and Fruit  
Pecan Research-Extension Station  
P.O. Box 5519  
Shreveport, La 71135  
(318) 797-8034 ext. 2319
