The National Hurricane Center issues Public Advisories on their website for active tropical cyclones every six hours at 4 a.m., 10 a.m., 4 p.m., and 10 p.m. CDT. When coastal watches or warnings are in effect, Intermediate Public Advisories are issued at either two or three hour intervals between the regular Public Advisories. Special Public Advisories may be issued at any time to advise of an unexpected significant change in the cyclone or when watches or warnings are to be issued.

Louisiana 511 Traveler Information

Louisiana 511 Traveler Information is a free service of the Louisiana Department of Transportation and Development. Travelers can dial **511** or visit www.511la.org for around-the-clock, real-time traffic updates as well as information about construction activities and weather-related road conditions simply by saying the route or region about which they are seeking information. In case of evacuation, information will be available through 511 on such important topics as contraflow status.

Residents without access to 511, or anyone calling from outside of the state of Louisiana, can access the 511 Traveler Information Service by calling 888-ROAD-511 (888-762-3511).

For more information, visit the Louisiana 511 Traveler Information website at www.511la.org.
