## A MESSAGE FROM THE LOUISIANA 4-H PROGRAM LEADER

*“A good objective of leadership is to help those who are doing poorly to do well  
and to help those who are doing well to do even better.”*

*- Jim Rohn*

I am excited that as a Louisiana 4-H member you are interested in applying for a Louisiana 4-H State Leadership Board position. To hold membership on any one of the six statewide leadership boards is a great honor, but a larger responsibility. The true purpose of a leader is to serve those in need and to train those who can follow in your footsteps. As a dear friend of mine constantly says to his 4-H members “It’s not about you!” While membership on a Louisiana 4-H Leadership Board allows for teamwork, meeting new friends, connecting with old ones, the true purpose is leaving your positive mark not just on the 4-H program, but with younger 4-H members.

If selected, your commitment needs to be 110% to your board and to the 4-H program. This is not a part-time job that you can put in your 4-H records or on a scholarship/college application. It is a job, a job that you must be committed to for the purpose of carrying out your duties and building trust amongst your fellow board members that you are reliable and can be counted on when needed. Your commitment needs to demonstrate that you are serving your community and fellow 4-H members. If you are only here for fun – I encourage you to rethink your purpose!

The Louisiana 4-H Program is here to support you and our leadership boards, but we need to know your support is also here for 4-H. My personal expectation for each of our boards and board members is that you are “making the best better,” and demonstrating the value of you are making to your board. Together with your board advisors you can make our program stronger and even more relevant to everyone. Use this opportunity to be a leader, to be a better 4-H member, and to make a difference.

Good luck on your leadership board process and I look forward to seeing the impact our leadership boards making during the 2020-2021 4-H year.

Toby L. Lepley, PhD  
Associate Vice-President and  
Louisiana 4-H Program Leader
