

## ✓ ADA-COMPLIANT MOODLE LOGIN & ENROLLMENT INSTRUCTIONS

LSU AgCenter – [learn.lsuagcenter.com](https://learn.lsuagcenter.com)

---

### Purpose

These instructions explain how students create a Moodle account and enroll in a course using an **enrollment key**.

---

### Step 1: Go to the Moodle Website

Open a web browser and go to:  
**<https://learn.lsuagcenter.com>**

---

### Step 2: Log in Using Google

On the login page, select **“Google Users.”**

Sign in using your Google email address and password.

#### **Important:**

Logging in with Google is required to create your Moodle account.

---

### Step 3: Approve Your Profile Information (First Login Only)

During your first login, Moodle may ask you to review your profile information.

If this page appears:

1. Review the information shown
2. **Scroll to the bottom of the page**
3. Select **Submit**

Moodle will not continue until the profile page is submitted.

---

### Step 4: Access the Course

You may access your course in one of two ways:

## Option A: Using a Direct Course Link

If you were sent a direct course link:

- The link may first redirect you to the login page
- After logging in and submitting your profile (if prompted), Moodle will automatically send you to the course

## Option B: Browsing Courses

1. Select **My Courses**
  2. Select **All Courses**
  3. Choose your course from the list
- 

## Step 5: Enroll in the Course

When prompted, enter the **enrollment key** provided to you.

Enrollment is a **one-time process**.

---

## Step 6: Future Logins

For future access:

1. Go to **<https://learn.lsuagcenter.com>**
  2. Log in using **Google Users**
  3. Your enrolled courses will appear automatically
- 

## Troubleshooting

### I logged in but do not see my course

You must enter the enrollment key to complete enrollment.

### Moodle keeps returning me to my profile page

Scroll to the bottom of the profile page and select **Submit**.

### My enrollment key does not work

Check for spelling errors or extra spaces and try typing the key manually.
