

GOAT DIVISION

MARKET GOATS

Superintendent: Mr. Rodney Johnson
Assistant Superintendent: Mr. Chad Hagen and Mr. Todd Fontenot

Note: As per State-Federal Regulatory policy; all market goats must have official USDA Scrapie Tags in their ears in order to be eligible for exhibition at the district and state show.

Special Rules

NOTE: ALL LA BRED GOATS MUST BE TAGGED IN THE LEFT EAR WITH A VALID LA BRED TAG TO BE ELIGIBLE TO COMPETE FOR LA BRED AWARDS.

- A. Wether and doe kids are eligible to show in the market goat classes at the district show and state show.
- B. All market goats must be polled, disbudded, or dehorned. Any scur or horn structures on market goats at the show must be blunted and not exceed one inch (1 inch) in length. No dehorning will be allowed on the show premises.
- C. The minimum weight for market goats at the district shows will be 50 pounds with no maximum weight. District shows have the option of weighing only lightweight animals to enforce minimum weight rules and using a "weigh your own" system for heavier classes. This would be an option, not a requirement.
- D. Market animals will NO longer be subject to a mouthing requirement.**
- E. Each exhibitor will be allowed to exhibit a maximum of three market goats at the show
- F. Market goats will be shown by weight only (all breeds and crossbreeds combined). Entries will be taken according to the Schedule of Events.
- G. The minimum class weight for market goats at the State Show will be 50 pounds with no maximum weight.
- H. At the State Show market goats will be divided into weight classes of approximately 30 - 35 animals each. The number of classes will not exceed 25.
 - I. At the State Show classes will be divided into weight divisions (maximum number of five weight divisions). Grand Champion and Reserve Champion will be selected from the weight division champions.
- J. At the State Show, upon completion of each class showing, the top four animals will be reweighed. Any market goat that has gained or lost more than 5 percent from the official entry weight submitted will be disqualified.
- K. At the State Show Division Champions and Reserve Champions will be awarded rosettes. Grand and Reserve Grand Champions will be awarded rosettes and trophies.
- L. Grooming practices for goats.

The code of ethics as listed in General Rule No. 14 of this catalog lists areas of concern in the grooming of goats.

 - a. Dyeing and coloring an animal to alter its natural coloration or to cause it to be classified in a different breed or show class.
 - b. Market goats must be slicked sheared for the show (no hair above the hocks/knees including the head).
Definition: Slick sheared is defined as having no hair longer than 3/8 inch above the hocks and knees excluding the tail. Market goats should be slick sheared within 14 days of the show in order to meet these requirements.

MEAT BREEDING GOATS

Superintendent: Mr. Rodney Johnson

Assistant Superintendent: Mr. Chad Hagen and Mr. Todd Fontenot

NOTE: As per State-Federal Regulatory policy; all registered breeding goats must have an official USDA Scrapie Tag in their ear or may be identified with a tattoo. The tattoo must be typed on the original registration paper.

Commercial does must have an official USDA scrapie tag.

All Breeding Goats must have a flock or breeder tag, Tattoo, or Microchip that matches the Registration papers presented at the show to be eligible of exhibition

Special Rules

NOTE: ALL LA BRED GOATS MUST BE TAGGED IN THE LEFT EAR WITH A VALID LA BRED TAG TO BE ELIGIBLE TO COMPETE

FOR LA BRED AWARDS. The only exception will be ADGA sanctioned breeds and pygmies will have the option of attaching the LA Bred tag to the collar/chain/ lead if it follows LMGA validation guidelines

- A. Breeding goats will be shown in the following eight divisions: 1) Registered Boer, 2) Registered Percentage Boer, 3) Pygmy, 4) Registered - Any other breed (AOB Meat), 5) Commercial Doe (not registered), 6) Mytonics
- B. All Registered breeding goats must be registered or recorded with their respective breed organizations.
- C. All Registered breeding goats must meet the percentage of blood to be considered purebred or meet the minimum percentage accepted by the respective breed association in the association-sponsored shows. Registration papers must be presented at the District Shows to verify that the animals meet the minimum percentage required by that breed association. Registered Boer Does must be registered at 93.7% and above to be entered in the Full- blood/Purebred Boer Division. Registered Boer Bucks must be registered at 96.8% and above to be entered in the Full-blood/Purebred Boer Division.
- D. All original papers must be verified by Agent/FFA Advisor and a copy submitted within 30 days of possession date. Registration papers will be checked at the district shows and original registration certificates must be available to be presented as requested at the state show.
- E. An exhibitor may enter as many purebred goats and commercial does as he/she desires. However, no member will be allowed to show more than one animal per class. The only exception would be a commercial doe that mouths up to the next class. In this case, the exhibitor would be allowed to show more than one doe in the next class with only one being allowed to qualify and/or receive premiums.
- F. Goats entered in the Breeding Goat division may not be shown in the Market Goat Show.
- G. Goats entered in the Registered Breeding Goat divisions must have an ear tag (assoc. number or flock number), tattoo or other means of permanent identification consistent with the registration papers or the animal will be disqualified. Exhibitors showing animals with a microchip as a permanent ID are required to provide a microchip reader for animal ID verification. Commercial Does will be provided official LSU AgCenter ear tags that must be applied to commercial does at validation. (State Fair tags will be allowed as long as the doe is officially validated for the LSU AgCenter show.)
- H. Registered goats may be shown by the grooming rules associated with that breed of goat or as dictated by specific breed associations. (**Commercial Does can have hair or may be shown slick sheared**)
- I. All breeding goats (registered and commercial) with the exception of dairy may be shown with horns or dehorned. All dairy goats must be disbudded, dehorned, or polled in accordance with ADGA.
- J. All registered breeding goats will be classed by using official registration papers.
- K. All Commercial does will be mouthed and weighed to determine age/class. Registered/recorded Does **ARE NOT** eligible for the Commercial Doe Show.
- L. Three classes are offered for commercial does. The classification for the district and state shows in the commercial doe divisions are: 1) Doeling (must have no visible evidence of the emergence of part or all of one or both of the first pair of permanent incisors. 2) Yearling does (two-tooth or four-tooth does). 3.) Aged Doe (5 teeth and over)
- M. The code of ethics as listed in General Rule 14 of this catalog lists areas of concern in the grooming of goats.
 - 1. Dyeing or coloring an animal to alter its natural coloration or to cause it to be classified in a different breed or show class.
- N. **Registered Breeding Goat**
