

SHEEP DIVISION

Please note: Given the health concerns with COVID-19, there is no guarantee that the LSU AgCenter State Livestock Show will occur as advertised. With that in mind all livestock show participants and families should note that purchase and/or validation of animals is at their own risk and financial investment.

Due to concerns with COVID-19, schedules and times are subject to be changed by Show Management.

MARKET LAMB

Superintendent: Mr. Rodney Johnson
Assistant Superintendents: Mr. Harry Richardson
Judging: Sheep Arena - See Judges, page 19

Note: As per State-Federal Regulatory policy; all market lambs must have official USDA Scrapie Tags in their ears in order to be eligible for exhibition at the district and state show.

Market Lamb Classification Guidelines and Rules

Exhibitors will designate on the official entry form in which breed type division the market lamb will be entered. Final determination of classification will be made by the official classifier(s) during official LSU AgCenter classification held at the State Show and the classifier(s) may reclassify a market lamb to another division. This determination is based on predominant breed (visual) characteristics of the market lamb and the judgment of the classifier(s). Official classification at the State Show is not subject to protest.

Breed type Divisions will be: 1) Hampshire, 2) Suffolk, 3) Natural Colored, 4) Black Face OPB and Crosses, and 5) White Face OPB and Crosses.

Overall Grand Champion and Reserve Grand Champion market lambs will be selected from the breed type division champions and reserve champions.

Market Lamb Classification:

- 1) Hampshire - Must have predominant Hampshire breed characteristics such as face relatively free of wool from the eyes down; unbroken wool cap extending from the neck over the forehead; ears moderate in length, thick with dark brown or black hair and little wool; legs below the knees and hocks should be relatively free of wool; hornless and the body wool free of dark fibers.
- 2) Suffolk - Must have predominant Suffolk breed characteristics such as face completely free of wool and covered in black hair; ears that are long and bell shaped and covered with black hair; black hair on the legs (no wool below the knees and hocks); hornless and free of dark fibers in the body wool.
- 3) Natural colored - Any breed of sheep that has a predominant "blue or black tint" to the skin and wool. The body must have this predominant blue or black tint over the majority of the body in order to classify in this division. A few black or blue spots coloring of the wool, bite marks, fungus spots, or scars with black or dark fiber areas will not classify the lamb in this division.
- 4) Black Face OPB and Crosses - Any other purebred black face breed of sheep (i.e. Shropshire, Oxford, etc.) and all crosses of black face breeds of sheep (including Hampshire and Suffolk cross sheep). No crosses of black face breeds with white face breeds of sheep will be classified into this division.
- 5) White Face OPB and Crosses - Any purebred white face breed of sheep (i.e. Southdown, Dorset, Montadale, Cheviot, Katahdin, St. Croix, Texel, Merino, Rambouillet, Corriedale, Finnsheep, etc.) and all crosses of white face breeds of sheep with any other breed of sheep (white or black face) will be classified in this division.

Special Rules

- A. Wether and ewe lambs are eligible to show in the market lamb classes at the state show.
- B. The minimum weight for market lambs at the district shows will be 80 pounds with no maximum weight. District shows have the option of weighing only lightweight animals to enforce minimum weight rules and using a "weigh your own" system for heavier classes. This would be an option only - not a requirement.
- C. The minimum class weight for market lambs at the state show will be 80 pounds with no maximum weight.
- D. Market animals will NO longer be subject to a mouthing requirement.**
- E. Each exhibitor will be allowed to exhibit a maximum of three market lambs at the show.

- F. At the state show market lambs will be classified into five breed-type divisions and shown in these breed-type divisions with weight classes within the breed divisions. An exhibitor may exhibit all lambs in any weight class within these breed divisions. The number of weight classes per breed division will be dependent on the number of lambs classified into the respective breed divisions. Total number of weight classes for the show will not exceed 30. Entries will be taken according to the Schedule of events.
- G. At the state show upon completion of each class showing, the top four animals will be reweighed. Any lamb that has gained or lost more than 5 percent from the official entry weight submitted will be disqualified.
- H. Market Lamb Division Champion Premiums:
 - Market Lamb Breed Division Champion\$250
 - Market Lamb Breed Division Reserve Champion.....\$100
- I. At the state show breed division champions and reserve champions will be awarded rosettes. Overall Grand and reserve grand champions will be awarded rosettes and trophies.
- J. Grooming Practices for Sheep

The code of ethics as listed in General Rule No. 14 of this catalog lists areas of concern in the grooming of sheep.

 - 1. Dyeing or coloring an animal to alter its natural coloration or to cause it to be classified in a different breed or show class.
 - 2. Market lambs must be slick sheared for the show (no wool above the hocks/knees including the head).
Definition: Slick sheared is defined as no more than 1/8 inch of wool on the body of the sheep.
 - 3. No foreign material (paint, powder, whitewash, white-out, show-glo, etc.) may be used to alter the color and/or conformation of any market lamb.

BREEDING SHEEP AND COMMERCIAL EWES

Superintendent: Mr. Rodney Johnson
 Assistant Superintendents: Mr. Harry Richardson
 Judging: Sheep Arena - See Judges, page 19

NOTE: As per State-Federal Regulatory policy; all registered breeding sheep must have an official USDA Scrapie Tag in their ear or may be identified with a tattoo. The tattoo must be typed on the original registration paper.

Commercial Ewes must have an official USDA scrapie tag.

All Breeding Sheep must have a flock or breeder tag, Tattoo, or Microchip that matches the Registration papers presented at the show to be eligible of exhibition.

Special Rules

- A. A purebred class for each of five major breeds and a class for any other breed (AOB) are offered for registered sheep.

Dorset	Suffolk
Hampshire	AOB
Southdown	Katahdin
- B. An exhibitor may enter as many purebred sheep & commercial ewes as he/she desires. However, no member will be allowed to show more than one animal per class. The only exception would be a ewe lamb that mouths up to a yearling class. In this case, the exhibitor would be allowed to show more than one ewe in yearling class with only one being allowed to qualify and/or receive a premiumplacing.
- C. Ear tags (association number or flock number) must be in the ears of the Registered (Purebred) Breeding Sheep.
- D. Commercial Ewes will be provided official LSU AgCenter ear tags that must be applied to commercial ewes at validation. (State Fair Tags will be allowed as long as the ewe is officially validated for the LSU AgCenter show.)
- E. The code of ethics as listed in General Rule 14 of this catalog lists areas of concern in the grooming of sheep.
 - 1. Dyeing or coloring an animal to alter its natural coloration or to cause it to be classified in a different breed or show class.
 - 2. All breeding sheep including commercial ewes must be shown slick sheared (no wool allowed above the hocks/knees including the head). In recognized hair and wool breeds, hair and wool will be allowed.
Definition: Slick sheared is defined as no more than 1/8 inch of wool on the body of the sheep.
