

# **BEGINNER CATTLEMAN** **PROGRAM**

**2021-2022**

**Designed for beef cattle producers with 10 years of experience or less and for people interested in starting a beef cattle operation.**

**This is a hybrid course with online materials and in-person workshops.**

## **Program Features:**

- In-person workshops at the Hill Farm and/or Dean Lee Research and Extension Centers.
  - You will choose which class you will be a part of (Hill Farm or Dean Lee).
- Webinars and pre-recorded videos for instruction between workshops.
- An optional trip touring multiple segments of Louisiana's beef cattle industry. The trip will take place in the spring of 2022 and be an additional fee.
