A club member who "drops out" of high school would be eligible even if he/she enrolls in a "special" training school. In no case will a boy or girl be eligible to enroll in 4-H after graduating from high school.
 - 2. Any boy or girl graduating from high school after he/ she enrolled in 4H at the beginning of the club year will be eligible to compete in all contests through the remainder of that club year (ending Aug. 31). (Livestock, poultry, dairy, NJHA Judging contests are exceptions.)

If the horse does not have a Grade Horse certificate one should be completed. Exhibitors showing leased horses will be required to follow the same possession rules as all other horse exhibitors listed in the horse show catalog.

RULE 7: REQUIREMENTS FOR EXHIBITORS

- A. **ENTRY FEE SCHEDULE FOR 2021** The following fee schedule will apply to all exhibitors at the State 4-H Horse Show. **Entry fee (per exhibitor) \$40 Stall fee (horse or tack) \$20 per day** Fees will be collected at the Lamar Dixon during the State 4-H Horse Show. ***GRADE HORSE CERTIFICATES**

Grade horse certificates are available for horses that are not registered or registerable. Weanling and yearling horses out of registered parents are not eligible for grade certificates. Any exhibitor who knowingly enters a registered horse as a grade horse will be disqualified and barred from showing for one year. Exhibitors who cannot obtain papers on a registered or registerable horse can ask for approval to obtain a grade horse certificate by having their county Extension agent or vocational agriculture teacher request a hardship approval of grade papers from the livestock show manager and Management Council. Examples of acceptable hardships are horses sold without papers, horses past the age where they can be registered or horses that have changed hands several times and the papers have been lost. Applications for hardships must be in writing and must detail all efforts made to obtain proper registration certificates.

The grade and other breed halter classes will be composed of purebreds from breeds that do not have their own separate division as well as the horses with grade certificates.

Registration papers or grade identifying certificates must be in the hands of the exhibitor at the district and state shows. Papers will be checked at the district shows.

*Registration papers/ Lease Affidavit will be used to establish ownership and possession of registered horses in the AOB division. Owners of grade horses will be required to fill out a certificate identifying their horses. This certificate must be completed and filed with the Extension Service (4-H) or FFA advisor by April 1, of the current year to establish ownership and possession. Each certificate must be filled out in duplicate, with one copy maintained by the exhibitor, to be presented and used in entering the district horse show. Exhibitors must have their certificates available for inspection at both the district and state shows. A duplicate copy (with a picture of the horse attached) must be maintained by the 4-H club agent or Vo-Ag teacher to resolve any questions concerning ownership or possession. This certificate must be signed by the youth, their parents and the club agent or Ag teacher to be official. Grade horse certificates are available from parish Extension personnel.

RULE 8: HARDSHIP OBJECTIVE:

The objective of the youth livestock program is to develop responsibility, dedication, decision-making, leadership, trustworthiness, sportsmanship, and citizenship through the possession and personal care of a live animal project. The youth (4-H or FFA member) will have many educational opportunities and activities to learn about animal agriculture and develop life skills. We are striving for maximum contact with animal and participation in educational activities.

HARDSHIP POLICY:

The ability of the youth to provide personal care for the animal is a major goal in the horse projects. The guiding concern in granting permission for hardship requests should be the education and development of the youth. Concern for ensuring that the animal is shown has minimal importance in granting hardships. Hardships will be considered up to two weeks prior to district shows.

RULE 9: GUIDELINES FOR GRANTING HARDSHIPS

Category I - Possession of Animals

- A. Animal should be housed within a reasonable distance to allow youth to interact with the animal project on a positive basis. Housing at public stables or training facilities is allowed. But exhibitors are required to do a majority of the work. When horses are not housed at the exhibitor's property, the agent should be notified of the location of the horse.
- B. Youth (4-H or FFA member) should do most of the work and care for the animal project.
- C. All housing requests must be made prior to possession date.
 1. Residential restrictions will be considered.
 2. Opportunities for housing will be considered.
- D. Animals housed across the parish line must be recommended by both agents and/or FFA advisors.

Category II - Registration papers or Grade Horse Certificates

- A. Registration papers, grade horse certificates, and lease affidavits must be completed and filed with the 4-H agent or FFA advisor by April 1, 2024.

- C. Registration papers, grade certificates, and lease affidavits not completed by the possession date because of uncontrollable circumstances will be considered.

Category III - Replacement of Injured or Deceased Animals

- A. Injured animals must be checked and verified by the 4-H Agent and/ or FFA Advisor or veterinarian.
- B. The replacement animals should be of comparable quality. Replacement of animals will be considered only for those exhibitors with one animal project per species.
- C. Replacement animals must be obtained by the following dates:
 1. January 3 - Market Hogs; Breeding Swine
 2. December 15 - Beef Breeding; Market Lambs; Breeding Sheep; Dairy.
 3. November 1 - Market Steers

- D. Exhibitors may enter multiple horses at the district show and scratch those not shown at the show.

Category IV - Conflicts with Show and Extenuating Circumstances

Exhibitors must show their own animals. Exceptions will be made only in the following cases and with the proper approval. In all cases, when the exhibitor cannot show his/her own animal, the exhibitor must have a bona fide 4-H or FFA member to show in his/ her place. If the animal qualifies for the championship classes and the exhibitor is unable to show the animal, the same individual exhibiting in class must show the animal in the championship class.

- E. Exceptions at the District Show:
 1. Exhibitors' animals will be allowed to qualify only for the State Show (not eligible for champion at District Show - Ribbon Group Only) if the exhibitor is not present due to school conflicts (academic, athletic and other school-related activities).
 2. Exhibitors' animals will be allowed to show in class and in the championship drive only if the exhibitor cannot show because of illness, physical handicap, personal injury or death in the family. In the case of illness, physical handicap, personal injury or death in the family, the exhibitor or representative shall make the request to the agent/FFA advisor and District Horse Show manager. The District Horse Show manager has the authority to approve or disapprove last-minute requests.
 3. To obtain an exception for school conflicts and physical handicap, the exhibitor must file a Livestock Project Possession/ Hardship Form and have the proper approval prior to the District Show.

HARDSHIP PROCEDURE

Youth and/or parent must fill out hardship form and include all pertinent information. The form must be signed by the youth, parent and/or guardian, agent/FFA advisor, parish chair/ school principal and approved by the District Show manager. Hardships should be routed through the State Livestock Show manager.

DECISION MAKING RESPONSIBILITY:

- A. District Show managers shall have the responsibility and authority to process and approve all hardships within the guidelines, with the exception of Category IV.
- B. Hardships falling outside the hardship guidelines may be recommended by the District Show manager to the State Horse Show manager.

ADMINISTRATIVE COUNCIL

- A. The Horse Show manager shall have the final approval for all hardships.
- B. The hardship form can be found on the Livestock Show Office Web page at www.lsuagcenter.com/livestockshow.

RULE 10: DISTRICT QUALIFYING PROCEDURES

- A. Exhibitors are allowed to enter all horses owned and then scratch horses not to be shown at the district show. - E. Horses receiving a zero score (Disqualified) in Reining or Western Riding at the district show are ineligible to qualify for the State Show unless they qualify in another class entered at the district show.
- F. Horses that go off pattern at the district show are disqualified and are not eligible to qualify for the state show unless they qualify in another class entered at the district show.
- G. If rule D does not apply. A horse will qualify for Performance at the state show by placing in the top (75%) of his particular Performance Class at the district show. If the class does not break at 75%, then any fractional part of the total will be used. In classes with fewer than five exhibitors, the judge has the discretion of taking more or less than 75%.

Points in each of these categories will be accumulated on a one-horse, one-rider basis.

- Breakdown of classes for high point awards will be as follows: Western- Showmanship (western attire), Western Pleasure, Western Horsemanship, Western Riding, Open Trail, and Reining
- Ranch- Working Cow Horse, Ranch Roping, Groundwork, Stock Horse Pleasure, Ranch Trail and Ranch Sorting.

The points acquired on that single run will be tabulated in both divisional high point calculations. Unless exhibitor has more than one horse entered in the class for division points.

Halter classes will not count towards high point awards.

RULES FOR HIGH POINT AWARDS

Horses contending for the All-Around must place in a minimum of two (2) performance classes. An exhibitor may show more than one horse, but points earned by each horse will be compiled separately. Points will be compiled on a “one horse—one youth” basis. Points to be awarded on the following basis: Contestants shall receive full points toward the All-Around Trophy on the basis of the number of horses in that class. Each of the first 10 horses in a class will be given a point for each horse placing below it. Points are calculated on a 10-9-8- 7-6-5-4-3-2-1 basis through tenth place, not to exceed 10 points for first place. Horses placing below tenth place will not receive points. For example: In a class of 20 horses, the first-place contestant receives 10 points, the second place, 9 points, and so on down through tenth place. In case of a tie for placings, the points for the placings that are tied will be added together and divided by the number of horses involved in the tie. In case of a tie for the All-Around Trophy, the tie will be broken by the following methods:

1. The horse placing in the most classes in the top 10 placings will prevail.
2. The horse earning the most points in performance classes will prevail.
3. The horse placing in the most classes in the top 10 with the highest number of combined entries in those classes will prevail.
4. The highest placing head-to-head in the following classes in this order: Showmanship, Western Riding, Western Horsemanship, and then Trail.

Special Rules

RULE 1: SHOW MANAGEMENT PROCEDURES

- A. All exhibitors will enter as instructed by show officials for all classes.
- B. Exhibitors must enter the arena with their numbers visible to the judge(s) and show officials or be disqualified. Numbers from the district show should be saved and the same numbers will be issued at the state show, thus, the exhibitor will have two numbers that can be fastened to each side of the saddle blanket.
- C. All heats and working orders will be drawn at random and posted prior to the class. In classes with drawn working orders, horses will work in that order or forfeit the right to compete in that class. Hunter Under Saddle and Western Pleasure classes will not exceed 15 horses per heat.
- D. It is the responsibility of the contestants to know when they are required to be in the paddock or arena. Not hearing or understanding gate calls, etc. is not an excuse for missing one's order of work, heat or class.
- E. Changes in working order may be made at show management's discretion. Request for changes must be made prior to the class.
- F. At the discretion of management, scores or times may be announced or displayed immediately after each run in classes with individual runs. **However, those scores are unofficial, and only those scores on the judges' cards and show books are official.**
- G. Failure of timing equipment or other show equipment will result in a re-run, but failure of exhibitor equipment, etc. will not result in a re-run.
